ace.

Halserd oil. Appetite. Food eaten without appetite always Dr. Johnson's Monomania.

his strange wish. Servia.

Each the poorest people own property. Reindeer Milk. The reindeer cow gives about one teaching of very rich milk, nearly as the has the best cream, and this mixed with a

An Awful Libel. A haryor in Norwich in the reign of Charles I. sent a man to prison for that the Prince of Wales was here without a shirt.

From Inside Prison Walls. de les a good book has been written in Preside Socrates, Cervantes, Bun-Yell Infort Lovelace, Tasso, Beranger, ' finleigh. George Wither and James Montgomery all continued their literwhile suffering from a cur-

Two Bad Fires. In 1825 a forest fire overran more' that lean, (ic) acres in central Maine. About the same time a fire near Que-

Blood Thicker Than Water. The saying about the superior density of blend to water is generally attributed to the American commander, Tat-1" Lall, who certainly used it at the taking of the Taku forts, but Scott puts it Hite the mouth of Dandie Dinmont,

Coffee. Americans consume twelve pounds of Coffee per capita in a year. Danes and Norwegians use more. England, being a ten drinking country, uses less than !

Dangerous Development. A big arm, with fine biceps, triceps and deltoid development, may be very Peretty to look at, but such arms have gans incident to their development.

The Family.

Curiously Mille A Viennese woman knife ran into her body and wounded her.

Two men were fighting in a town in southern Italy, and when the bystanders attempted to part them one of the men threw stones at them. The crowd retaliated in like fashion, and the man was literally stoned to death.

Stoned to Death,

band's love unless he beats her occa-

Timid Reindeer. The reindeer are so gregitious and timid that one herder can easily guard a thousand head. The herder knows that if a few stray off he need not look for them, as they will soop become frightened and rejoin the main herd.

Unexpected Pearls. On a sunken coal lighter being raised from Colombo harbor its bottom was found to be covered with pearl oysters. Their value more than paid for the cost of the salvage operations.

Poverty In Denmark. Denmark makes a clear distinction between the thriftless and the respect. able poor. The latter never cross a workhouse threshold. If destitute they receive a pension ranging from £3 to fl7 a year; or, if too feeble to look after themselves, they are placed in an old

The Cedar Tree. No tree gives so great an expanse of shade as the cedar, and it never dies except from lightning stroke or the woodman's ax.

Averted a Disgrace. Abimelech, while storming the town of Thebez, was wounded in the head by a stone thrown by a woman and made his armor bearer kill him lest it be said a woman slew him.

fraudulent land rights. He furnished our vernacular with a word for every. thing spurious and false.

Cider is the only alcoholic beverage that is not taxed. When sold fermented in bottles, it contains ordinarily 4 er 5 per cent of alcohol, but this amount may be increased largely by adding sugar—sufficiently, indeed, to Special attention is directed to this render the beverage quite intoxicating. department.
