ALWAYS CURES

The Hound of the Another Adventure of Sherlock Holmes. BY A. CONAN DOYLE.

I Author of "The Green Flag" and "The Great Boer War" Copyright (1902) by A. Conan Doyle.

Mrs. Barrymore is of interest to me. night to that particular window," I was very much closer to the pair than that for a time he was not responsible fiant. She is a heavy, solid person, very suggested.

which haunts her, and semetimes I "But surely he would hear us." suspect Barrymore of being a domes-"The man is rather deaf, and in any adventure of last night bring all my

not a very sound sleeper, and since l Last night, about two in the morning, I was aroused by the lithy step passing my room. I rose bened my door, and peeped out. A long black shadow was trailing down the corridor. It was thrown by a man who walked softly down the passage with a candle held in his hand. He was in shirt and trousers, with no covering to his feet. I could merely see the outline, but his height told me that it was Barrymore. He walked very slowly and circumspectly, and there was something in-

describably guilty and furtive in his balcony he had reached the end of the the glimmer of light through an open door that he had entered one of the furnished and unoccupied, so that his expedition became more mysterious than ever. The light shone steadily as
