The Osculatory Process Denounced by Scientists as Extremely Dangerous -- How the Danger Can be Removed.

A keen discussion is being carried on by some of the best scientists as to the danger and 'crime' of kissing, led by Dr Somers, Health Officer of Atlantic City, and Dr. Nalpasse, of the Medical Faculty of Paris. They charge the kiss with spreading grippe, scarlet fever, measles, mumps, whooping cough, typhoid fever, diphtheria, erysuggest legislation on the subject, and the posting of notices in railway stations, street cars and other public . places, but they say it would be useless to post them on verandahs, in cosy corners, porches, shady nooks. or moonlit lawns. They also propose compulsory legislation for methods of disinfection of the mouth and purifying the breath, especially with a view | About halfway up the mountain we to the protection of the innocent babies who are particularly subject to infec-The greatest and most effective purifier and germ destroyer known to medical science for the mouth, throat and breath, as well as for the blood, stomach and lungs, is Psychine, that triumph of the medical world that is "What are you doing with that handattracting almost universal attention | kerchlef, Brown?" because of the wonderful results attending its use. Zam-Buk will also cure the parts of Canada south or east. the time the Colonial Conference was going on, and there were a hundred line the control of the control Toronto, for free trial box, sending 1c. kenzie river basin, never have been and fifty French representatives in our trade increases.

These are the views of the People's Store, 81 John Street South, Hamilton. It is three years since we commenced selling on It and 15 per cent. profit, and each year since that has nearly doubled the business of the previous year; this shows that the public appreciates our cheap selling and come to a for their goods. There is no doubt but what we have all the trade during the the busy season this year on Saturdays, that it will be possib tion has sent a petition to the Ontario on in our present premises. Of course on all days except Saturdays we lost en Government, asking that the local op- pect to be crowded beyond our capacity to serve. Any day except Salarian to tion by-law be not enforced until some will avoid the crowd and get better attention than we can possibly give total

> The question is often asked us why we sell goods cheaper than others I will give you a few of the reasons why we can and do sell theater than others do-first, we are located where rent is not one-quarter what it a till centre of the city; second, we do our own buying and have the name I being close buyers. Many stores trust this important matter to others. We will cash and sell for cash, and have no debts to lose. We are a to live as tarmers having about the same capital are forced to live. We don't other stores open at 8 and close at 5 p.m. Why should we be entitled to shorter hours and better pay than the farmer who represents in numbers and wealth nine-tenths of the number and capital of the world sons why we can and do self cheaper than other stores.

The coming season we will be better prepared to serve our customents than ever before, especially in Rubber Footwear of all kinds. We being a direct from the manufacturers over six thousand dollars worth per cent, less than other stores in the city or country can case, there is not a store in the city or country that can compete with as in 180 ber of all kinds-during the coming season. We have many thousands of pain in all the different lines of all kinds of rubber footwear, which we can and will sell at least 30 per cent, cheaper than other store in the them. Come and see for yourselves and be convinced that we are the theatest in all kinds of goods we carry, and especially in all kinds men's socks for men, boys and youths. We buy in large the manufacturers and save the middlemen's profit, and sell them at least a per cent, cheaper than others sell them.

Our stock is now complete for the Summer, Fall and Winter Trade, consisting of a large stock of all kinds of boots and shoes in leather and subber goods for men women and children. Clothing of all kinds, overcoals and wear, and men's furnishings of all kinds. We carry the leather boots, rubber boots and lumbermen's rubbers as any other stere, in the city and sell them 15 to 75c a pair cheaper than others do. We are the only store in the Dominion that deals exclusively in mis-
