"My esteemed client did not come several plain clothes detectives were

the rolls. To prevent this Pash was quite ready to sell Mrs. Krill and any one else connected with the the business of Miss Norman, suppos-ing the money- as he hinted might be ing the money- as he hinted might be the case through his assistance came back to her; and this might be used as a means to make him speak out. Hurd was now pretty sure that Mrs. Krill was the guilty person. "She knew Pash through Hay," argued the detective, while thinking

over the case, "and undoubtedly came to see him before Norman's death. so that Pash might suggest ways and means of getting the better of the old man by means of the bigamy business. Mrs. Krill was in the Chancery lane office when the brooch left by Tray was on the table, and Mrs. Krill, anx ious to get it, no doubt slipped it inte her pocket when Pash was talking to his clerk in the outer room. Then I expect she decided to punish her husband by fastening his lips together as he had done those of her daughter twenty and more years ago. I can't exactly see why she strangled him," mused Hurd, "as she could have got the money without proceeding to such an extreme measure. But the man's dead, and she killed him sure enough.
