wicked Levison in "East Lynne." After playing the character a few nights in Blackpool he had occasion

for wishing to change his lodgings and, knocking at the door of a house in the next street, was greeted by the good lady who opened it with a shrick "What! It's Levison, the dirty vilain. Ye can't 'ave rooms in my 'ouse! Get out or I'll call-the perlice!"

Steel Pen Helps Forgers. The crime of forgery has been facilitated and increased by the modern introduction of metallic pens, gold and steel, says a writer in the Indianapolis News. The old fashioned quill pen was smooth and pleasant to write with, though it sometimes balked and sputtered, but it did not lend itself to skillful imitations as easily as the metallic pen does. The crime of forgery doubtless has been promoted by the almost were centuries ago, when the person | the lives of his parents corroborate who could handle a pen was an excep- | the theory that presentiments of good tion.
