the Ontario Library Association held at Toronto this week.

take action?

been made in the Canadian tariff in enjoying good health." thirteen classes, embracing in all about mail at 50 cents a box or six boxes ' 40 items. The average reduction is about \$2.50 from The Dr. Williams' Medicine 21 per cent. The articles affected con- ('o., Brockville, Ont. stitute about \$5,000,000 of ('anada's importations from the United States, but the changes apply, not to the republic only, but to the whole world. Few of the goods affected are produced in ('an-' ada, and none of them produced extensively. Therefore Canadian manufacturers will not suffer." Canadian consumers will benefit by a reduction in the prices of dates, figs, prunes and nuts, collet articles, perfumery, tableware china, window glass, watch actions,

, nited States, negociations for w proceed as soon as possible. Secretary Knox, of the United States, has sent this message to Mr. Fielding on behalt of President Taft

"The President is confident that the policy of broader and closer commercial relations with Canada will receive the hearty support of the large majority of the people of the United States, and he has learned with much satisfaction of the existence of a similar sentiment in the Dominion. It may be added that

express, by his direction, the desire of the indications were most favorable fo the President, that your government will increased revenue. Officers were apgovernment, at such times and in such Transom, rector's warden. Jas. Hamilthe consideration of a readjustment of Robb, sidesmen, Arthur Transom, lay M.P., silk-hatted and dressed for the our trade relations upon the broader and delegate to synod, John Appleyard, great Function, stepped to the door, more liberal lines which should obtain envelope secretary. between countries so closely related geographically and racially as indicated by the President in his recent public

### A New Department.

establishing a new department of agriculture, that of beekeeping's There are 6000 apiarists in Ontario, and no doubt there's room for many more. The honey crop is generally probtable, and the study of bees is a fascinating one. To teach the people of Ontario to look after their bees with intelligence and profit is the design of this department of the O A C, and much care and intelligence are needed in this work.

### Taft Holds Out Olive Branch.

Washington, March 30. Following W. Baker, of Woodstock, assisted the proclamation of a complete tariff agreement with Canada to-day, it was announced that President Tatt has invited Dominion Covernment officials to a conference looking to closer, trade, re-1 lations between the two countries and to a general readjustment of duties.

The manager apologized, sir, very politely, and he FROST WIRE FENCES & GATES Melvin Lawrence, Tom Lawrence, Mild-Miss Margaret McPherson, near Nor- Yenney-At Waterdown, or, Mar 28th. took me into a back room, where there Marian Jean, wife of the late were ten or fifteen turkeys hanging, Rev. J. D. Venney, aged we years and and he said the labels had been lost off them and I'd just better take my choice. So I chose the largest, sir, knowing your generosity, ad it was fine. It ate grand. Thank you very

The French do not, as a rule, employ inverted commas to indicate a dialogue, but they employ the dash to indicate a change of speakers, which is just as bad. Certainly many punctuation marks Whiten Through Kneading are sadly misused or overused. Dickens flung unnecessary commas all over extraordinary prodigality, frequently before the word "and" where the conjunction rendered them superfluous. Pater was also overfond of the mark of exclamation, so that when he drops a "Yes" into his measured style it must needs appear as "Yes!" But, though the Bible does without inverted commas, there is real art in its punctua-
