SMALL FIRE—A few minutes after six o'clock on Tuesday evening the fire alarm sounded and the brigade turned out. A fire had been discovered in the doorway of E. R. Betts's barn on Mary Street. A few buckets of water put it out without the use of the hose.

TEACHERS ARE SCARCE.—Dr. A. H. U. Colquhoun, deputy minister of education, has issued a circular to inspectors of schools, advising them that the department will permit school boards, if after due advertisement they are unable to secure properly qualified teachers, to accept one with lower qualifications.

On Thursday Michael Mangle was killed by a blow over the heart received from George Barber, a fellow workman in the Port Credit starch works. Barber is a young Englishman, ten weeks in Canada. The men were friends previous to their quarrel and it is not thought that Barber intended to seriously hurt Mangle.

FOR THE FARMERS—We have Williams's and Dayfoot's English Kip Boots, warranted solid leather. Empress shoes for women and Slater's for men, made by the best makers in Canada. To complete this stock we have shoes made with Steel Soles. Repairing neatly done.—Yates' Shoe Store, opposite post office.

Brampton Mechanics' Band has ceased to exist for the present. The trouble is not a lack of funds, as has been the case several times in the past, but the shortage of players. Removals and other causes, principally matrimony, have reduced the players to not more than ten men. The band has uniforms and instruments valued at $400. A committee of the council has been appointed to see what can be done in the way of reorganization.—Banner.

A BIG FACTORY BUILDING.—Workmen are busy excavating for the foundation of P. L. Robertson Co's. two-storey, brick factory, with a frontage of 300 feet and the stone work will begin next week. Week by week the factory is increasing its machine equipment, working staff and its output of Robertson screws, the demand for which exceeds the supply, though so far it is sold only to manufacturers, principally for furniture, boats and canoes. At that the output and sales are very large.

WARNING TO BATHERS.—Complaints are made that men and boys bathe at the head of the pond, week days and Sundays, that they do not wear bathing suits, that their behavior is most indecent and they yell to attract attention, particularly that of girls and women who pass by or venture into Livingston Park. We are requested to say that any man or boy who bathes in any public place in the neighborhood of the town without a bathing suit will do so at the risk of prosecution. Chief Constable Chapman will be on the lookout for them and ready to act on information furnished him.

UNION S. S. PICNIC—Methodist and Presbyterian, to Stanley Park, on Friday, July 15th. First class boating and bathing, merry-go-round, dining pavilion, dishes, hot water, all free to excursionists. Good athletic field for all kinds of sports. Come and enjoy the day with the children. Train leaves Campbellville at 8.15, Terra Cotta 8.25, Milton 8.30, Hornby 8.40. Tickets—Adults 95c. Children 50c.

UNION S. S. PICNIC—A very enjoyable S. S. picnic was held on the Presbyterian manse grounds, Hornby, on Friday afternoon, July 1st, at which the Sunday Schools of four churches were well represented, viz.: Church of England, Methodist and Presbyterian in Hornby, and Omagh Presbyterian Church. About three hundred were present. Games, races, etc., were entered into heartily by young and old. Tables were spread in picnic style and after partaking of the good things all went away satisfied that a very pleasant social time had been spent, which was indicative of the harmony and goodwill prevailing between the different churches.

A MILTON MEDICAL MISSIONARY—On Tuesday a letter was published in the Toronto News from Dr. Edgar W. Robertson, M.B., M.R.C.S. (London). He and his wife, who is a daughter of Rev. Nathaniel Smith, of Toronto, have been in China as missionaries for five years, in Hunan, one of the southern inland provinces, one of the last to admit foreigners. There was a famine in Hunan last spring and an anti-foreign rising, in which many outrages were committed, particularly at the city of Changsha, from which all missionaries were forced to flee. Dr. Robertson told in his letter how he and his wife ran the gauntlet from the troubled province to Kuling. Dr. Robertson is the only son of Dr. D. Robertson, Registrar of Halton.

MORE INDUSTRIES—The Board of Trade has held two meetings this week to consider the propositions of two industries which will come to Milton if their owners' terms are accepted. In neither case is a bonus or a free loan asked for. In both Milton has been selected on account of its many advantages, particularly railway facilities and its location near Toronto and Hamilton. No bonus or free loan is asked for in either case, but certain privileges are expected. For certain reasons it is not likely that Milton will get both industries, but it is quite likely that either will come here, instal a large plant with a corresponding expenditure of capital and employ a goodly number of skilled and highly paid mechanics.

Notice to Creditors

Notice is hereby given, pursuant to Revised Statutes of Ontario, 1897, Chapter 129, Section 38, that all persons having claims against the estate of ALMIRA McCANN, who died May 8th, 1910, at the City of Toronto, are required to send by post or to deliver to the undersigned on or before the 16th day of July, 1910, their names, addresses, full particulars of their claims, and the nature of the security, if any, held by them, duly verified by statutory declaration. After the said date the executors will proceed to distribute the assets of the deceased among the parties entitled thereto, having regard only to the claims of which they shall then have notice, and they shall not be liable for the assets or any part of them to any person of whose claim notice shall not have been received at the time of such distribution.

Dated at Milton this 16th day of June, 1910.

WILLIAM I. DICK,
1-6 Solicitor for Executors.

MILTON CHIEF WINNER

At Georgetown Firemen's Competitions

The celebration of Dominion Day at Georgetown, under the auspices of the Fire Brigade, was a great success in every way. The attendance was large and the arrangements generally creditable to the management. Six teams competed in the firemen's races and Georgetown and Acton bands and two pipers from Brampton, supplied plenty of music. The time made in the races was good, though no records were broken. It would have been faster on a faster track. The Georgetown track, though good, is sandy. This makes the pulling heavy and retards the time. Milton's team covered itself with glory, winning first prize, $100, in the hose reel race and second, $65, in the hook and ladder race. Merritton was the only competitor in fancy drill and gave a splendid exhibition. The band competition did not come off.

Oakville did not compete, being a new team and having never practiced with hook and ladder equipment. As it was, the Oakville boys did splendidly in winning second prize in the hose reel race in such fast company.

Four khaki-clad boy scouts from Toronto gave an exhibition of first aid to the injured.

Before the races there was a procession through the streets of the competing teams, bands and pipers. Reeve McCannah was marshal, was mounted and wore a fireman's uniform.

Baseball.

On Dominion Day a nine composed partly of members of last year's seniors went to Georgetown and played an exhibition game with the strong local team. There was plenty of excitement. The first inning looked blue for the Miltonians. They were retired without getting a man on first base. The first Georgetown man up, Bowman, got to first on Knapp's fumble, and before the side was retired four runs were scored on four singles and a double. After that, however, Lott tightened up, allowed only five scattered singles and the only run scored off him, in the ninth, was on two errors and no hits. The Miltonians did not get a hit, nor a man on first until the third, when Telfer beat out a slow infield grounder. He was left on first, however. Milton broke the ice in the fifth. Galloway went out, pitcher to first, Telesky got on on Parker's error, and Winn got a life from R. Arnold, who dropped his fly. A passed ball advanced them. Knapp made a single, scoring Telesky, and the other two scored on errors. Lott made a hit in the sixth, but was left on third. In the seventh Tuck got Winn's grounder, but threw high to first and the runner touched the bag while Arnold was in the air. Knapp sent another grounder to Tuck, who fumbled it. Armstrong followed with a double. All three scored. Mobray struck out, but Telfer and Lott made singles. Telfer was caught between third and home, Ryder struck out and Lott was left. In the eighth, Galloway was out, third to first and Telesky second to first. Tuck fumbled Winn's grounder and he scored on Bowman's and Parker's wild throws. Neither pitcher gave a base on balls or hit a batter. Capt. W. Arnold was umpire on balls and strikes and J. J. Peacock on base plays. Both were impartial and none of their decisions were seriously disputed.

The new C. P. R. time table will enable Toronto teams to leave home on Saturday afternoons and reach Milton in good time for matches. It is hoped that a number of such matches will be played during the season with senior Milton balltossers.

The S. S. teams appear to have difficulty in pulling off their scheduled games. Whenever they cannot do so senior games should be substituted.
