She took the boat in through the easily make the shore in their boats. She led the way down below, and

As she lit a lamp in the pretty little fathom of black water. She had It was not possible. Under the light isn't it? I wish I could have shown which she had visited the Ring-Rock, but her weight had carried her well conditions, but the circumstances are that she meant to use for her hiding- on either side of her for a boat to pass on the edge of that bunk without being shot off when she rolls?"

She looked up at the name painted "Why are you here?" said Elsa.

She pushed back quickly, but a head boat out and rescue you from a watery manded. question?—Me or the Sea-Horse?" Elsa drew back further into the fog.

"Both," said Elsa. Her first impulse was to refuse help. Mona laughed again. Mona shouted again, and Elsa brought variety of reasons. It's a long story impossible.

though, and I think you know most of "I thought the defaulting trustee was life over again—from the bottom." cause I didn't allow enough for drift, on mockingly. "He has put on flesh did not come," said Mona. "No. I don't think so. But we're and piled her up. There, I've an since I last met him. But he didn't "So am I, uncommonly glad. But see asked." At the Bank of Friendship, hard aground. If it comes on to blow, swered your question, haven't 1?

we need yours. Can you come aboard to explain at great length to Val B. appeal to what he called my finer feel-Montague presently, and explanations tre fatiguing. I want to talk about words, and she could hear plainly that side. Elsa fastened the end of it to 'I can. Do you wonder why?". swept down upon her again in a thick blanket. She could not see three yards chooner brought the bulwarks to their brief pause, said coldly:

Waiting till the pendulum swing of the acc of her questioner, and after a very plausible impostor?"

Elsa answered her with

"I don't understand. It is merely out that the question does not interest me." were wide with a real distress. Mona clasped her fingers behind her head, and leaned her back against the that I would not have said a word of heaving wall of the cabin. Her brown all this to you if I had known eyes showed a sparkle of amusement, cried passionately; and then, as she and a smile played about her lips. She noted the fixed look of scorn on Elsa's was a girl sho made a habit of taking face, she added: "You think that life with a laugh, and even the fact did know! You think that!" thought we were a good five miles ship on a ledge of sharp volcanic rock have said," was Elsa's answer. She laughed softly again, and then with a certain admiration. There had and the stars am shining. I tink there with a quick movement, came closer been no examination of the extent of is a breeze coming." the damage. For all that this laughing she girl knew to the contrary, the Sea-Horse might in a few minutes slip off

the ledge and take her to the bottom "I want to talk to you," said Mona-"to learn, if I can, what sort of girl you are; and though you are not inter to you. It is because you are daughter of the man who robbed of twenty thousand pounds.

"That is not true," she said 'And as for the robbery—' "My father did not rob you," said

"Didn't he? I think the term is accasked." curate. At any rate Richmond Carring. "Her forefoot is crumpled up," said ton accepted its substantial accuracy Montague; "but the diver reports that "I'm disappointed in you," he said him yesterday? You admit it?"

n't I? I have been very anxious to see tion is billed to appear in Funchall, chance for a bit of real good adverhim, you know. I knew he was in San Madeira, exactly a fortnight from to tising. Trust me to know how to use the basalt, and she had tied many loops on the bows. It was almost dark now, "Why am I here,—I, Mona de la Mar, didn't count on having the luck to run derstand clearly, I hope, that Val B. heroism ir my best style, and the of strong picture wire about its neck but she could just make out the white late Margaret Ryan? Is that what you up against him in the course of the Montague does not repine?" so that she could recover it by grap letters. She nearly betrayed herself mean? Or do you mean why is the very first bicycle ride I took in the "I recognize that you've been at will print it as a sensation from real." She brought her boat close to the the Sea-Horse, the circus people's Rock, and making it necessary for pened."

I recognize that you've peeu by a cry of dismay. The vessel was good ship Sea-Horse piled on the Ring- island. However, that was what hap brick," said Mona warmly. "I have the Sea-Horse, the circus people's Rock, and making it necessary for pened."

appeared over the forward bulwarks, prison? Incidentally, of course, you "About a mile from the village of terly gale had come, and the Sea-Horse and a woman's voice hailing her told rescue us from a possible watery Furnas. I had gone there to see the had broken up on the Ring Rock and grave, which would be even more un famous geysers, you know. Romantic gone to the bottom, it would have calculation," she said. "You put your "Boat ahoy! We want help. Bring pleasant. So we are grateful. But in disrtict for a defrauded heiress and the meant ruin to you, wouldn't it?" which sense am I to understand your defaulting trustee to meet in, wasn't
