MOST CLEVER OF DOGS

Wonderful Reasoning Power The Queen of Sweden is very fond of dogs. One of her pets is a small accompanies her everywhere.

The Queen of Sweden is not the all kinds of Wool. poodles make the most attractive pets. dogs, having wonderful powers of reasoning, and being capable of the

deepest affection. Dogs of this kind can be taught to alertness of brain places them apart from other animals. A story is told of a famous poodle, belonging to a shoeblack who plied his trade on the Pont Neuf, Paris.

The clever creature would in some way or other soil the boots of the passers-by, so that his master, halfway across the bridge might earn a few honest sous by cleaning them. Treat a poodle with firmness, kindness and perseverance and you can do almost anything with him; but the great secret if you would train him well is first of all to gain his affection. The rest is then comparatively

Most poodles are kept in the house, or in enclosed, carefully protected kennels, so they make splendid pets, and are easily taught cleanly habits. Small-sized poodles are now much Some folks award the palm for intelligence to the white poodle, and
