Tragedies in the Life of the Dowager than by anything else. Queen of Portugal

Dowager Queen of Portugal and grand- doctors will largely increase. child and second daughter of Victor wards King of United Italy. She spent her early girlhood under the tended them happy. care of her mother. Queen Adelaide of Sardinia, in Pledmont. One night in 1862, when she was only fifteen, she was taken to the opera, and there the Portuguese Minister marked her out as his sovereign's future bride. A few months later she was married to King Luis, a marriage of affection entirely, ! After her son's accession the Queen-Dowager spent much time at her beautiful castle on the coast of Portugal. She was an excellent shot, and one of her favorite amusements was to shoot at glass bottles floating in the sea. Queen Maria Pia was a great lover of

music and an artist of some ability, while she was famous for her exquisile taste in dress and her witty cop-The Queen was at the head of inwhich she directed in person, attending to the minutest detail. This royal to make their good, because that lady was for forty years known as the what careful beeding is for. "Angel of Charlty." The first great tragedy of her life

was the assassination of her brother, horses and mongrel fowls without by an Anarchist, Then on that fatal day in February, 1908, was committed the terrible crime which robbed her and Queen Amelia of King Carlos and the young Crown Prince Louis at one fell blow. Indian Family Preserve Story of Massacre in Which Hudson Bay Factor Fell a Prey

A rifle and tomahawk being presented to the Ontario Government, have an interesting story attached, which is related in a letter to an official of the T.N.O. Railway, on whose right-of-way the weapons were discovered. Says the writer, another

"Relative to the curios which I gave you on your recent trip over the Porcupine branch, namely the remains of an old Queen Anne's rifle, and an ancient Indian tomahawk, found at where our ballast pit and camp No. 3 are situated, would say that I have gathered the following information. "On the west shore of Frederickhouse Lake there still remains a family of Indians named 'Buffalo,' the only survivors from the old Hudson Bay

fort, which was once located where camp No. 3 now stands. The history of this fort, as handed down from gen-

"Frederick Barber, a Hudson Bay factor, whom Frederickhouse Lake He lived there for years surrounded by a small colony of Indians, who brought their furs to this post, and in return got all their supplies for their hunting season. Barber became procerned, and consequently the Indians were living fairly well. The Indians and west on hunting ground. It seems that they encroached on the hunting ground of the Abitibi Indians, and in the spring, following the year of the big fire, the Abitibi Indians in force crossed over on snowshoes to Frederickhouse Lake and by surprise, with jealousy foremost in their minds,

and a thirst for blood, killed Freder-, ick Barber and all the Indians possible. The 'Buffalo' family are the only ones who survived. "The date of this war, on fight, is

not known in this country, except that it was in the spring following the big fire. These poor ignorant Indians do , not know what dates are, and time their dates from some memorable event, which possibly played havoe with them or their families.

"The Queen Anne rifle and tomahawk were found on the shore just above the water line... You will note the extreme length of the barrel of the gun imagine the length of this gun. when full length with the stock. History tells us that such guns were given , to the Indians when they brought in to the Hudson Bay posts enough beaver furs, w...ch when piled up on the floor, would reach as high as one of

OPPOSED TO POLYGAMY

In connection with the application of a Mohammedan woman, Sir. J. Wessels at Johannesburg recently decided Transvaal more than one wife. A propolygamy is a recognized institution in India.

Prefers Indian Dress A growing number of Indians are adopting European dress. For our own part we think this is very much to be regretted in itself. We wish Indians would retain their own easy and dignified dress, and spare their money for something more worth having than cheap and ugly imitations of European clothes,-Madras Weekly Mail.

PURITY FLOUR is unlike any

other brand URITY FLOUR is unlike any other brand of flour. No two milling companies follow exactly the same process of milling. In fact, no two different brands of flour in the world are exactly alike in quality.

And here is another fact worth knowing: Every wheat berry contains both high-grade and low-grade por-

The process of milling PURITY flour costs more than to mill ordinary flour. The lowgrade portions are separated and excluded. PURITY is an ALL HIGH-GRADE, hard wheat flour. It has greater strength, greater absorption and greater expansion. It is a thirstier, more elastic flour. It drinks more water and expands into more loaves.

Write for our private address.

Use PURITY FLOUR for your next batch of bread. Count the loaves. You'll find you have made "MORE BREAD AND BETTER BREAD" from PURITY than when you've used an equal weight of weaker and cheaper flour.

"More bread and better bread" TMAGINE, if you can, how much whiter, and more tooth-

some, and more nutritious, the bread made from such a HIGH-GRADE flour must be. And can you imagine yourself enjoying the flaky pie-crust and the light, delicate cake your reward for using PURITY flour

When making pastry, please remember to add more shortening than required with ordinary flour-for on account of its extra strength, PURITY FLOUR requires more shortening for best pastry-results Yes, PURITY FLOUR costs slightly more

Than the difference. Add PURITY FLOUR to your grocery list

than ordinary flour. But use it once and
