 Reserve and Undivided Profits \$3,600,000
 Total Assets \$6,470,000

The average man or woman seldom develops the habit of saving until a Savings Account has been opened. The possession of such an account acts as an incentive—your natural desire to see the funds grow encourages that tendency to thrift so necessary to success. No matter how little you can afford to lay aside from the weekly wage, open a Savings Account at the Bank of Hamilton.

C. H. STUART, Agent, Milton.

The Chalice of Courage
 Being the Story of a Girl's Perilous Quest for a Cure for Her Father's Disease
 A Romance of Colorado
 By Curtis Johnson

The girl's quest for a cure for her father's disease led her to a remote mountain peak. She found a chalice of courage in the form of a small, white, crystalline substance. The chalice was a gift from a man who had once been a doctor. The girl's quest was a long and arduous one, but she was determined to succeed. She had no other choice. Her father's disease was a mystery, and she knew that she had to find a cure. The chalice was the key to her father's recovery. She had to find it, no matter what the cost.

The girl's quest for a cure for her father's disease led her to a remote mountain peak. She found a chalice of courage in the form of a small, white, crystalline substance.
