A KILBRIDE CASE. - Yesterday a party of Kilbride youths came to Milton to answer to a charge laid against them before R. J. Campbell, J.P., using abusive and insulting language. it was alleged that they had followed a young man and a young lady who were out for a drive, for some miles on a road and had shouted remarks which were the reverse of polite. Crown Attorney Dick had the case for the prose cution and Hughes Cleaver, of Burlington, had the defence. The case was settled out of court by the boys paying costs, apologizing and promising to bridle their tongues henceforth.
