He looked big rainfall-more than falls in most a great walled garden behind, was sitting by his side, followed him. They "This gentleman is from the United gard of that long line of painted war of one inch means literally that the "Perhaps," the professor assented. Hamblin house. Quest gave vent to a searched for an hour, but found no States," Lord Ashleigh reminded him, riors seemed somehow to be full of amount of water descending in a par-"Perhaps," the professor assented little exclamation of wonder as he trace of him at all. Then they re"They seem, at least, to have arrested little exclamation of wonder as he trace of him at all. Then they re"so your criticism doesn't affect him, menace. There was something grim, ticular shower would cover the surturned to the house to make a re- By the bye, Middleton, I heard this too, in the sight of those empty suits rounding territory to a depth of one Craig—who is lying in an English sure, he admitted.

Our country of the Achleigh pared to this. Makes me kind of doubled back, plunged into a little country opinion down in the village. You seem "I may be superstitious," Lord Ash inch, providing it did not run away or to rather fancy yourself as a thief- leigh said, "but there are times, espensively to rather fancy yourself as a thief- leigh said, "but there are times, espensively to rather fancy yourself as a thief- leigh said, "but there are times, espensively to the superstitious," Lord Ash inch, providing it did not run away or doubled back, plunged into a little country to rather fancy yourself as a thief- leigh said, "but there are times, espensively to rather fancy yourself as a thief- leigh said, "but there are times, espensively to rather fancy yourself as a thief- leigh said, "but there are times, espensively to rather fancy yourself as a thief- leigh said, "but there are times, espensively to rather fancy yourself as a thief- leigh said, "but there are times, espensively to rather fancy yourself as a thief- leigh said, "but there are times, espensively the fancy yourself as a thief- leigh said, "but there are times, espensively the fancy yourself as a thief- leigh said, "but there are times, espensively the fancy yourself as a thief- leigh said, "but there are times, espensively the fancy yourself as a thief- leigh said, "but there are times, espensively the fancy yourself as a thief- leigh said, "but there are times, espensively the fancy yourself as a thief- leigh said, "but there are times, espensively the fancy yourself as a thief- leigh said, "but there are times, espensively the fancy yourself as a thief- leigh said, "but there are times, espensively the fancy yourself as a thief- leigh said, "but there are times, espensively the fancy yourself as a thief- leigh said, "but there are times, espensively the fancy yourself as a thief- leigh said, "but there are times, espensively the fancy yourself as a thief- leigh said, "but the fancy yourself a cially just lately, when I seem to find coming down on a single acre of land lord," the man replied, respectfully. What is it, I wonder? I ask you, but I forty-five gallons capacity each. This "This is an ancient gamekeeper's but still, I hope I may say that I've think I know. It is the conviction that amount of water would weigh more I'd like to hear about that!" ne exclaimed. "You know I'm rather great of time ago and almost forgotten now. nle

The polesce. The processes as most permission that I we think I know. It is the conviction that amount of water would weigh more as much common sense as most permission of the processes. The processes were very wise," he said. "My shelter," he explained; "built a long as much common sense as most permission of the processes. The processes were the processes as most permission of the processes. The processes were the processes as most permission of the processes and almost forgotten now. The processes are most permission of the processes as most permission of the processes as most permission of the processes and the processes as most permission of the processes are most permission of the processes as most permission of the processes are most permission of the processes as most permission of the processes are most
