15 YEARS' FIRE Just think! That is the time

through which Mr. H. C. Buckley endured all the fiery torture of itching, burning eczema. His life was a perfect misery until Zam-Buk—the great herbal skin cure brought complete relief. Mr. Buckley, who lives at 461

East Broadway, Portland, Oregon. writes:-"For fifteen years I suffered with eczema, and although I tried many so-called 'eczema cures,' nothing seemed capable of dealing with a case like mine. It was not until I had Zam-Buk recommended to me that I began to have hope. This wonderful akin healer soon brought about a change for the better. As I persevered with Zam-Buk the burning sensation got less. found Zam-Buk wonderfully soothing. Gradually the patches of soreness and the inflammation were reduced, and complete and permanent cure finally resulted. I would strongly advise all afflicted with eczema to give Zam-Buk a trial. will give them satisfaction. will not be disappointed."

No skin disease can resist the potent healing forces stored up Zam-Buk, which is unequalled for old wounds, ulcers, abscesses, bad legs, scalp sores, blood-poisoning, piles, scalds, burns, cuts and all skin injuries. All druggists and stores, or Zam-Buk Co., Toronto. 50c. box.
