LESSON FOR DECEMBER 19

THE BIRTH OF JESUS.

LESSON TEXT-Luke 2:1-20. GOLDEN TEXT-For unto you is bo this day in the city of David, a Saviour which is Christ the Lord.-Luke 2:11. ADDITIONAL MATERIAL - Matt.

PRIMARY TOPIC-The Gift of Baby Jesus. JUNIOR TOPIC-The Shepherd and the

INTERMEDIATE AND SENIOR TOP -A Savior Born. YOUNG PEOPLE AND ADULT TO -The Significance of the Incarnation.

1. The Birth of the Savior (VV. 1-7) 1. The time of (vv. 1, 2). It was at a time when the Jews were coming under control of the Roman power. In until the materials are first damaged the providence of God, the birth of in some way as by bruising, heating Christ occurred at a time when all or freezing. After such injury has for the introduction of the gospel. The whole world being under one rule made it possible for ministers to move from city to city and from country to country without molestation.

2. The place of (vv. 8, 4). It took tissues. place at Bethlehem as the prophet had | 3rd. Store in a cool, well-ventilatfore (Micah 5:2). A little while previ-God moved the emperor to enforce the molds in the dead tissue. decree of taxation just at the time to In the storing of such fruits as cause Mary to be at Bethlehem at the apples and pears which can be stored the hands of God to carry this out.

humanity-to be born in a manger none might be hindered from comiu, to Him.

II. The Birth of the Savior Announced (vv. 8-14).

shows that poverty is no barrier to to fruit until the whole pack may be the reception of the blessed gospel spoiled. God does not reveal Himself mainly telthe princes and great men of the carth essential: but oftentimes these things are con cealed from such, and disclosed to the "Hath not God chosen the poor bruising. 2:5). Their being busy with the D. H. Jones, O. A. College, Guelph. them from being favored with this Gideon, Amos and Elisha were called by the Lord from the busy activities of life. The Lord never calls the idle; he has no use for the lazy man.

2. By whom (4. 9). The first gospel sermon was preached by the angel of the Lord. This exalted being has part

You reach the Age when they 10-14). It was good tidings of great sage. It was good tidings because the darkness of heathendom which had for so long covered the earth was beginning to yanish. The casting out of Satan, the prince of the world, was about to take place. Liberty was now soon to be proclaimed to those who were in bondage. The way of salvation was now about to be opened to fall. No longer was the knowledge of God to be confined to the Jews, but Savage One-Piece Bifocals. offered to the whole world. So glorious was this good news that a multitwee of the heavenly hosts appeared,

joining in the song of praise. III. The Prompt Investigation of the

Shepherds (VY. 15, 16). They did not stop to argue or questhough no doubt these things seemed passing strange to them, but bey hastily went to Bethlehem where they found everything just as represented. They had the privilege of first gazing upon the world's Savior, the Lord of glory. They returned with | gratitude in their bearts, praising God all these wonderful things which i He had revealed to them.

IV. The Shepherds Witnessing (vv.

They could not remain silent. They were impelled to tell the good news. All who have truly heard the good tidings of salvation through Jesus Christ must tell it to others. These shepherds Teacher of English Bible in the Moody went back to their work praising God.

How to Keep Over Fruit, Roots, Cabhages, Celery, Etc.

All Specimens Should Be Sound and Healthy-Careful Handling Very Important—Hints on Fall Work In Field and Garden and Among Live Stock.

(Contributed by Onterio Department of Agriculture, Toronto.)

N the storing of roots, tubers, cabbage and celery it is a comparatively simple matter if the materials are sound to begin with. Although the decay-producing bacteria, yeasts and molds are always on these they cannot do any injury

the systems of religion and morality been done the decay bacteria and were tottering upon their foundations, molds are able to feed on the dam-It was at a time, indeed, when a new aged tissue and as a result of this force was needed to be brought into action decay or rot takes place and the world. Furthermore, it occurred gradually spreads until all is spoiled. at a time which was the most suitable Therefore, in storing roots, tubers, cabbage or celery, it is necessary,-- 1st. To have only sound, healthy
