Anniversary

Friday and Saturday of this week will celebrate our Thirteenth Anniversary in our four stores. Thirteen years ago we opened our first store, where the Telephone Office is today. The demand for Ice Cream and Candy was not any too brisk in those days. However, we thought we could increase the demand by keeping a bright, clean store, selling the purest candies and ice cream obtainable, at the lowest price possible. We think we have succeeded.

We looked carefully into the ice cream market and decided the Neilsons were making the best ice cream in Ontario. W have been selling it ever since. We visit their factory every month and we notice that they are not inclined to adopt frills and fads to sell their ice cream, but they are very particular how they make it. Purity, Purity, Purity is written all over their plant, and their raw materials are the best money can All day Friday we have decided to sell all our Sundaes and Sodas half price, 5c. dishes, 2 for 5c., 10c. ones for 5c., 20c. for 10c., etc. We want you to come in and see how good Neilson's Ice Cream is; we know of none better.

We manufacture all our Candies and Chocolates. You will find Candy Specials for Friday and Saturday. See other adv. We will have special music for you Friday and Saturday Visit us often and enjoy a cold, sparkling Soda or a
