One of the most scandalous con- | ISAIAH'S spiracies to violate the prohibition law ever unearthed in the United States is that at Memphis, Tenn., which has already resulted in a dozen bootleggers and officials being sentenced to imprisonment, and which is likely to send as many more to the penitentiary. Curiously enough, the | Help Him. man by whose official connivance the city was flooded with whiskey for months, and who is now undergoing a term of imprisonment, is the chief witness against the lawbreakers. This is Tyree Taylor, formerly United States marshal. Taylor has repented and is doing everything to assist the authorities. That he has regained something of his old high standing in the community, though he is yet a convict, is indicated by the fact that judge and jury have been accepting his uncorroborated word in making left Judah's throne empty it was made convictions.
