Heavy Shipments of Cattle.

Toronto, Sept. 16.- Since August first the movement of live stock from Western Canada to the Eastern markets has been unusually heavy. Shipments consist almost entirely of beef cattle. The character of this business is such that fast service by the railways is an essential, and in this respect the Canadian National Railways are making records between Winnipeg and Toronto yards. Trains from forty to fifty cars of stock are of 72 cars of cattle was received early this morning at Union Stock Yards, West Toronto, making the trip from Winnipeg in 75 hours, it having left Winnipeg on Sept. 13th. This, probably, is the longest train of live stock ever received at Toronto from the
