### Cream sales are increased!

by Long Distance

Some quotations from recent reports: "We depend on Long Distance to order milk and 'cream from farmers, and to find a market in the

cities for butter." "A 15 cent Long Distance call enabled us to get 12 cents more a pound for our butter in a nearby

city"-writes a farmer. "Long Distance is the cheapest way to sell ice cream."

"We purchased over \$100,-000 worth of cheese by Long Distance at a cost of \$16 or .016%. This cheese we sold by Long Distance at a cost of \$30 or .03%, and never saw

the buyer.' "We sell thousands of dollars of surplus milk by Long Distance."

May we tell you how Long Distance is being used to increase sales
