that we always get the latest Discoveries of Science.

Our Drug Store is strictly "modern." Just as soon as science discovers some valuable new remedy or appliance we get it. At all times our medicines are pure and full strength. When anything in our store loses its power we throw it out the back door.

Our toilet goods are up-to-date. Our Soaps are sweetly scented; our Perfumes "hold" their delicate odor; our Brushes do not lose their bristles. Whatever you get from us is strictly first class. So make our Drug Store YOUR Drug Store; for you can then "rely" on what you buy.
