Alberta Rejects Prohibition.

est vote ever polled in Alberta on a what were the best precautions to guide, Umtoto, when he suddenly liquor question, prohibition yesterday, take to guard against jewel thieves. uttered a loud yell and leaped to one was beaten decisively. Seven years I replied that if I had £50.000 worth side of the narrow path through the ago the province gave a dry majority; of jewels no thief would ever steal tropical undergrowth, and ran away of 20,000 in a total vote of 95,000 on; them. I should just sell them. the abolition of the retail sale of liquor. In 1920 the matter of importation would give, but it does not help a chased him and caught him under a came up and with a total vote of 100,- woman very much. As a matter of banyan tree, shaking violently. When (10)), there was a majority against im- fact one can only give the general I asked what was the matter he reportation of 18,596. Yesterday's vote advice that common sense and rea-plied in the Backoko tongue, which will go close to 150,000, and the ma- sonable care should be exercised. sounds like a man with a hoarse Duity against prohibition, standing at A very famous jewel thief named voice trying to talk Chinook through

will approach 30,000 when the returns are complete. There are 52 provincial constituencies and on incomplete returns there appears to have been a majority for government control in 36 of them, including the four cities, Calgary, Edmonton, Lethbridge and Medicine

There was little confusion in t use of the four-clause preferential bal-; lot, and there appear to have been comparatively few spoiled ballots. The contest, as the returns quickly showed, had resolved itself into a practically straight fight between pro- judge. hibition and government control, A and D, with B and C, as representing | the reply. the beer advocates, having no chance of achieving success. On the present the judge. Well, look here, Nicholshowing, clause D has such a decisive son, do as much of it as you can!" patience. majority over all other clauses that it. will not be necessary to count second later in Parkhurst Prison. or later choices. With a few polls missing there were 15,959 first choices for D, 8,039 for A

and 540 altogether for B and C. Clause D, in addition to government control of all liquors, authorizes also the sale, of beer in licensed premises by glass or bottle, without specific instructions to the government as to the procedure to he followed and there is a good deal of speculation to-day on this subject. Many people are anxious to know whether beer licenses will be confined to hotel prdprietors or whether some thing like the tavern license system of

Quebec will be established. Clause D, in the words of the ballot. means "The sale of all liquors by o through government vendors-beer to be consumed on licensed premises and in private residences, wine and spirits caused a quoit to strike his head, to be purchased in limited quantities killing him instantly. under permit issued by the government, under government control and regulation.

the Calgary Albertan, which supported prohibition, says: "The people are tired of prohibition; suckle are names that explain themthey have lost patience with it. The selves. The daisy is the 'day eye," reaction has come and for another but the foxglove is really the "fairy year's high priestess is Mary Wolf early upbringing, one point being that period at least, we must return to the glove." liquor traffic."

should meet as soon as possible and ed by the resemblance between the long tribal prayers, the Sun Dance port of this it was pointed out that That clause D should be in operation by the opening of the year. The total wet majority of the Province, as represented by the first choices registered for Clauses B, C and D, is now 30,420. The vote showed for

Booze Flowed Freely.

Clause A, 50,009; B, 3,221; D, 74,631.

DEADLY HOOTCH.

Philadelphla, Nov. 5.—Poison liquor killed two men and a woman and scores were treated at hospitals for acute alcoholism over the weekend, police reports showed to day. And all this was despite the fact that every saloon in the city had been about the cut of the cards. into custody. in the city hall,

A GOVERNOR'S TRIBUTE.

(By Collyer's News Bureau.) The following tribute to the Dominion of Canada and her people is paid by the Governor of Minnesota in a letter to Bert E. Collyer, editor of The Referee:

State of Minnesota, Executive Department St. Paul.

My dear Mr. Collyer: The manner in which Canada has borne its war burdens, kept its credit good, taken care of its service men and their families, and the general manner in which it has tackled and solved its after-war problem is most remarkable. It is a wonderful tribute to the thrift, energy and enterprise of its citizens and splendid evidence of the unlimited resources of the country. The United States is most fortunate in having a neighbor as progressive and friendly as Canada.

Yours truly, (Sgd.) J. A. (). Preus,

Canadian National Railways Earnings

The gross earnings of the Canadian National Railways for the week ending October 31, 1923, were \$8,967,537.00, being an increase of \$1,138,223.00 or 15%, as compared with corresponding week of 1922. The gross earnings of the Canadian National Railways from January 1st to October 31st, 1923, have been \$207,-

950,221.87, being an increase of \$18,-

583,566.83 as compared with the cor-

responding period of 1922.

Never be without Peps if you are at all susceptible to coughs. colds and chills. Dissolved in the mouth, these breatheable tablets instantly fill the chest and lungs with their healing germicidal vapours. These strengthen the air passages and repel germ-attack. Peps end the snuffling and sneezing, the wheezing, soreness and cough before it develops into bronchitis or dangerous lung trouble. Peps are speedily effective and vastly safer and better than dangerous drug-laden mixtures or tablets containing harmful chemicals. As a preventive and remedy for coughs, colds and chills, wheeziness, hoarseness, grippe, bronchitis and sore throat, nothing can equal Peps. Splendid also for

Nursing Sick Children.

To nurse a child through a severe illness requires much more than the loving attention and care which all "Turned seventy, my lord," was mothers are prepared to bestow upon their little ones when they are ill. "I suppose you are right," said requires knowledge and firmness, added to an inexhaustible fund of Collars It is when a child is ill that the

full value of previous training in the good habits of childhood will manifest itself. Though many things may go by the board when a child is ill, one that has been well trained is more amenable than a child that has entirely followed its own devices. Generally speaking, a sick child is best left alone. Look into the wards of a children's hospital. The patients are in their cots - and there they stay. They are not, as many an anx ious mother is tempted to do, continuously nursed and rocked in some-

When there is unpleasant medicine to be taken, or some unpleasant operation of the sick room to be performed, it is better to be truthful Head of British Air Mission Says with the child and promise some little treat afterwards, rather than deceive in the first instance, and be found out. Once deceived, the child is for ever after sceptical, and in this way a mother lays up a good deal of trouble for herself.
