key, of Toronto, will occupy the pul-

DEANERY PICNIC.—On August 27th
there was a picnic of Halton Anglican
Deanery on the grounds of H. Atkins,
Bronte, Milton, Acton, Rockwood,
Oakville, Burlington and Bronte people
had a pleasant afternoon. There were
walks through the woods, a visit to
Devil's Cave, bathing, tennis, croquet
and baseball. The clergy held a busi-
ness meeting. In responding to a vote
of thanks, Mr. Atkins gave an invita-
tion for another picnic next year.

DOMINION ELECTION.—It is now un-
derstood that the general election for
the House of Commons will come off
soon, though the date has not been
announced. Fred Dewar has been ap-
pointed Returning Officer for Halton.
A better selector could not have been
made, or a more competent man
found in the constituency. Returning
officers have been appointed for other
constituencies, as well as Halton, but
this has no special significance as far
as the date of the general election is
concerned. Under a new Dominion
Act Returning Officers are appointed
temporarily, that is, as long as they
perform their duties satisfactorily. If
they do they may retain their posi-
tions after a change of government, as
other officials do.

Big DAY AT KESLO.—On Saturday,
Aug. 29th a very enjoyable commu-
nity picnic was held on the grounds
about the Gamble swimming pool. An
attendance of nearly two hundred
furnished ample proof of the fact that
the community stepped right out for
the occasion. Among those who came
from a distance were visitors from
Toronto, Hamilton, Burlington and
Buffalo. After a softball game, that
was not without its thrills, races were
called, in which guests of all ages,
sexes and weights gave various
demonstrations of speed. Perhaps the
outstanding feature of the day was
the very tasty lunch provided. After
all had done justice to it most of the
visitors withdrew, though the even-
ing was still young. The remaining
cake and sandwiches were then dis-
tributed among the older children,
who essayed to scale the rocks above
the kiln and who on the heights made
merry by way of coming to the end of
a perfect day.

realized for the St. Paul's Church. Its
members turned out well, and so did
those of other churches.

Mr. and Mrs. Duncan Campbell and
Misses Laura Dennis and Mary Car-
gill motored to Ottawa and will
attend the fair there and a pleasant
trip. Mr. Campbell says he never saw
finer crops anywhere than those be-
tween Oswaga and Ottawa.

Quick Relief for Rheumatics.
Local Druggists Sell Rheuma on
Money-Back Plan.
If you suffer from torturing rheu-
matic pains, swollen, twisted joints,
and suffer intensely because your
system is full of uric acid, this new
system of relief makes thousands help-
less and will thousands years before
their time, then you need Rheuma,
and need it now.
Start taking it to-day. Rheuma
acts on the kidneys, liver, stomach
and blood, and you can sincerely ex-
claim: "Good riddance to bad rub-
bish."
Many people, the most skeptical of
skepticism, right in this town and in the
country hereabouts, bless the day
when J. M. Mackenzie and other good
druggists offered Rheuma to the af-
flicted at a small price and guaranteed
money refunded if not satisfied. If you
have rheumatism get a bottle of
Rheuma to-day.

GUELPH JUNCTION

MOTOR ACCIDENT.—Last Thursday
evening George and Mrs. Brown,
both of New York City, were motoring
near Campbellville, and Wm. Frazer
was driving home in his buggy from
the garden party. The car was col-
lided through the windshield, cut and hurt.
Mr. Lamb was hurt too.

TENNIS.—There was a match here
last Saturday between Burlington and
Milton, six men and one lady on each
side. There was much discussion about
the visitors were unable to bring
more ladies. Milton won seven out of
the ten events. Refreshments were
served at the close. A return game
will be played at Burlington, on Sat-
urday, 12th inst.

CAMPBELLVILLE.—The garden party
at the Campbellville athletic grounds
last Thursday, under the auspices of
St. George's Church, Louville, and
John's, Nassaraga, the attendance was
by fine weather, the attendance was
very large and everything passed off
well. The softball tournament, and
the splendid program were given by the
Brunswick Trio, of London, were the
leading features. The receipts ex-
ceeded \$300.

Police Magistrate Moore has not
been well for some time and last week
he appeared an operation would be
necessary, he went to the Toronto
General Hospital, and on Tuesday even-
ing the operation had been performed
and his condition was satisfactory to
the surgeons in charge, but a second op-
eration will be necessary. The Cham-
pion joins Mr. Moore's many friends
in wishing him a speedy and complete
recovery.

WEDDING.
McFADDEN-HENRY.
A very pretty wedding took place at
12:30 o'clock on Wednesday, Aug. 26th,
at "Rosenmuth" Restaurant, the home
of the bride's parents, when Alice
Luella, only daughter of Mr. and Mrs.
W. J. Henry, became the bride of
Mr. Thomas McFadden, of Milton. Rev.
W. T. Cranston officiated. The mar-
riage took place under an evergreen
arch, beautifully decorated with pink
and white streamers. She looked
lovely in her wedding dress of ivory
satin and lace, with veil of embroide-
red tulle caught in a coronet of orange
blossoms. Her only ornaments were a
pair of pearl ears and a pearl set brooch
the gift of the bridegroom. She carried
a bouquet of opelia roses and lily of
the valley, and was attended by Miss
Margaret Carter, who was becomingly
dressed in a gown of salmon pink can-
ton crepe with trimming of silver and
bandeons. She carried pink and white
asters and ferns. The bridegroom
was accompanied by Mr. Cecil McCann.
His gift to the maid of honor was a
bar pin, to the pianist a silk scarf and
to the groomsmen all gathered on the
lawn, where a pleasant time was
spent, several snapshots taken and the
guest book signed.
The party, numbering sixty-four,
then motored to Milton, where a dainty
luncheon was served at the Milton Inn.
After the usual toasts a number of the
guests spoke briefly.
Mr. Thomas McFadden told of the
emptiness of the house as one by one
the family had gone to homes of their
own. His wife spoke touchingly of his
prosperity of the young couple, who
were to occupy the old home.
Dr. R. K. Anderson, M. F. for Hal-
ton, gave in the finer mood and
superior qualities of womankind. He
told of his acquaintanceship with the
bride since her earliest childhood and
bore testimony to her excellent char-
acter.
Mr. Clair Carrothers, of London,
spoke of his first acquaintance with
the groom during their college days
and of a favor bestowed on him at
that time which gives promise of col-
oring his whole future life.
The J. H. Wilson spoke appreciatively
of the even temper and amiable dis-
position of the young girl, who for
some years was his only niece.
Mr. Cranston called attention to the
fact that he had left the word "obey"
out of the service, adding that in that
case the groom would be expected to
obey.
The happy young couple then left,
amid showers of confetti and good
wishes, for a two-weeks' motor trip
through western Ontario and
back to their home in Milton. The
groom's motor outfit and silk broad-
cloth were given by the bride's
parents. The bride was the recipient of many
beautiful and useful gifts, and also a
kitchen shower, given by the members
of Hornby Presbyterian Church, where
she had been teacher and organist in
the Sabbath School for some years.
