ROGERS BATTERYLESS RADIO

No "A" Batteries No "B" Batteries No Aerial!

Just Plug in - Then Tune in!

MODEL 120 \$260 Complete

The Magic Wonder of Endless Entertainments, Education and News with the Simple Push of a Button

NO more run-down "B" Batteries; no more fussy, expensive storage battery; no more hydro-meter or voltmeter for testing batteries; no more battery charger; no more rheostats and blown-out tubes; no more fussy wiring or unsightly connections. It seems almost uncanny!

Yet it is as simple as it is amazing; a complete set no larger than an ordinary radio receiver, yet all ready to plug in and tune in.

It sounds sensational—seems impossible (and many may tell you it is), but the simple fact remains that these sets have PROVEN that they will do all that any other good set can do—without Batteries or Aerial.

MODEL 100 \$170.00 Complete \$110.00 without "B" (Requires Aerial)

MODEL 110 \$120.00 Complete, Loudspeaker Inbuilt
