Last Thursday night Murray Sprout
was taken seriously ill. He had had a
run for some time and conditions
developed which required an immedi-
ate operation. He was rushed to To-
ronto by motor car and the operation
was performed on Friday, at St. Mich-
ael's Hospital where, we are happy to
say, he is doing so well that it is hoped
that he will be home within three
weeks.

COUNCIL—The first meet-
ing of the county council for 1926 was
held on Tuesday, at the members
present, and the first business was the
election of the Warden. Mr. McArthur
nominated Edward Agnew, Reeve of
Northwest, and Mr. McIntyre nomi-
nated Jas. W. Blain, Reeve of Milton.
Mr. Blain was elected. According to
an estimate received from the Depart-
ment of Highways, approximately
\$36,100 will be spent in the county on
provincial highways this year. The
recommendation adopted on Nov. 17,
that \$120 be paid to each of the Hal-
ton High Schools on account of grant
money was rescinded and the amount
was increased to \$2000 each. High
School Trustees appointed, three years
each, were Milton, J. R. Elliott, Bur-
lington, Wm. Bridgman. The council
adjourned to next Tuesday. The min-
utes of the first meeting will be pub-
lished next week.

The Committee in charge of the
CARNIVAL on Thursday, Feb. 4th,
wish to take this means of thanking
the merchants of Milton for the
splendid prizes which they have so
kindly donated in the interests of the
Milton Athletic Association. People of
Milton might well be proud of mer-
chants who are so willing to show
their true sportsmanship in such a
manner.

Fire—Last Friday, at 10 a.m.,
Ernie Carr, dry goods and shoe
merchant, stepped out of his shop in-
to the grocery of his landlord, John
Conroy, next door, to buy some sup-
plying bananas. Mr. Conroy
had bananas, and Mr. Carr went to
the grocery for some. He got
back a few minutes, and said he
thought there was fire in the rear of
the store, as he smelled it. Mr. Con-
roy investigated and found that
smoke was coming through from the
Carroll store. Mr. Carr rushed into it
and found its rear all in a blaze.
There was a hot fire in a Quebec
beer and some cotton garments
hanging close to it had ignited. The
fire spread turned out within a few
minutes and worked under difficult
circumstances for some time, but
the fire was soon under control and
was out within half an hour. If it
had occurred late at night the loss
could have been very heavy, occur-
ring in a wooden range of six shops.
All of his stock was either burned or
water soaked and spoiled. Mr. Carr
estimated damage to building and
stock, about \$800. Both were covered
by insurance.

A new prohibition publicity bureau

is a class for every person, and the
lucky spectator is going to get 10 lbs.
of food to carry home. Of course if

no chance of winning it, as only those
paying 25c. admission will be eligible

BROKE PAROLE—Elsie Brambrough,
an English girl, of Oakville, was con-
victed of theft some time ago. She
was released on suspended sentence
and was employed outside the town.
She left employment, returned to
Oakville and, it is alleged, her conduct
there was not of the best. She was
brought before Police Magistrate
Shields, remanded to jail for to-
morrow and brought to Milton. The
jail population is now thirteen. Two

JAIL UNDER O.T.A.—On Monday
night Lewis E. Atkinson, of Acton,
was brought to jail, having been con-
victed of selling liquor in contraven-
tion of the O.T.A. by Police Magistrate
Moore, sentenced to one month in
jail and fined \$200 and costs, with
three more months in jail in default of
payment. Atkinson is a garage man,
usually, it is stated, has been try-
ing for some time to catch him and
did so at last by bringing a man from
Georgetown who bought a bottle of
liquor from Atkinson, which was
found with a marked bill, which was
on Atkinson when he was arrested. In
December Atkinson was elected by ac-
clamation as a member of Acton town
council.

The regular meeting of Milton L. O.
L. N. 2385, will be held Monday
evening, February 1st. Important
business and conferring of the Blue
degree. All members are requested to
attend.

By way of an added attraction at
the carnival on Thursday, Feb. 4th,
a fine large smoked ham will be given
to the family having the largest mem-
bership present. Judging from the
number of entries there is going to be plenty
of amusement, and any one of the prizes
is well worth going after, prizes
which have never been excelled in
Milton. See the exhibit in A. L. Mac-
Nab's window.

MISS NICKAWA'S RECITAL—The re-
turn visit to Milton of Miss Frances
Nickawa, the celebrated Indian reader,
was made possible under the auspices
of the Ladies' Aid of St. Paul's United
Church, when, despite the inclemency
of the weather, a large audience greet-
ed her on Friday evening. The even-
ing's programme commenced with a
piano number by Mrs. E. Wilkinson,
followed by a vocal solo by little Molly
Hately. Miss Nickawa gave four groups
of readings, which were interspersed
with two baritone solos by R. S. Hately and
a trio by Mesdames. Murdoch and Pea-
cock and Mr. Hurlbut. Miss Nickawa
is without doubt Canada's most ver-
satile reader. Her every movement
pleases. She loves nature and animals
makes one feel the depth of her soul
in all ways and does. She is perfectly
at home in Scotch dialect and the
"Baines Cuddle Doon" was admir-
ably done. Perhaps she is at her best
when dressed in Indian costume, as
her perfect rendering of "Ojibwa" and
"Hiawatha Hunting" would indicate.
Her two little musical numbers were
also very pleasing. The announce-
ment that Miss Nickawa would re-
turn to Milton was greeted with great
eagerness and assist in the
evening worship was greeted with ap-
plause, and consequently the church
was filled to hear her again. Her
sweet little gospel song again revealed
the depth of her soul, and her reveal-
ed interpretation of "The Crucifixion"
from Ben Hur, thrilled the audience
and left a splendid impression for
good. Miss Nickawa is assured of a
royal welcome on the occasion of her
return to Milton.

The local doctors are very busy
these days picking people up, and at-
tending to their ailments. They say
it is caused by so many people going
up into the garret for their skates for
the Old-Time Skate on Feb. 4th. Any
persons over eighty years of age who
skates brought down from the attic
should apply to the committee in
charge of the Carnival.

society for the welfare of the individual."
The addresses were well delivered by
both sides and the decision was given in
favor of the negative. The next meeting,
Feb. 4, will be social, at which the Camp-
bellville Society is expected to provide
the programme.

On Tuesday the Young Women's
