WEEKLY NEWSPAPERMEN VISIT DURANT PLANT.

An event of special interest to the members of the Ontario Division of the Canadian Weekly Newspapers Association was held in Toronto on Priday, at the plant of Durant Motors of Canada, Limited. On the invitation of the Company, between fifty and sixty newspapermen, including F. L. White, editor of THE CHAMPION, vis- of the Literary committee. A very in ited the "home of Durant cars" and teresting and varied programme was presaw how these automobiles are built. papermen met at the King Edward out the season, was won by Miss Bessie ed away at his home on Pearl St. yes. Coxe, who received the prize. Miss dining room reserved for the occasion. Minnie Elliot was a close second. There of age, was born in Ireland and came. They were royally welcomed by Roy was also a group contest in proverbs to Milton many years ago. He was a D. Kerby, general manager and Phil. which was won by the "Thirties," each staunch Conservative, a member of J. Duggan, sales manager and were individual receiving a grab-bag. The Grace Anglican Church and a lifelong told that it was solely for the purpose Scripture was read by Mrs. Cooke, and Orangeman, being a member of Milton of acquainting representative citizens of Ontario with the methods employ. one hundred were present. ed in building Durant cars that the

meeting had been called. Mr. Kerby spoke briefly on the importance of the automobile industry to Canada and gave some very interest is being prepared. ing figures on the capital invested. Mr. Duggan voiced the appreciation of the company for the large turnout

and said he hoped that each person would carry away a better understanding of the size and extent of this charge of the Missionary Committee, and who passed away at the home of her plant which covers nearly 15 acres of all were entertained and instructed by mother, Mrs. Mary Shepherd, after a ground and has approximately half a the fine set of slides, "Glimpses of China."

The Minister and Mrs. Hurlbut were million square feet of floor space. short talk on the subject of automo- ing of the fine new Church School buildbile advertising, after which the chair- ing of Norfolk Street United Church, man. Phil. Duggan, invited the guests when Rev. Dr. Geo. Pidgeon, of Bloor to adjourn to the plant in new Durant Street United Church, Toronto, was the automobiles.

When the visit through the plant was over, the newspapermen expressed their delight at what they had seen and voiced their appreciation of the 12 o'clock-Church School and Brotheropportunity extended to them by the executives of the company of thus seeing for themselves "how Durant cars are built.

Crop Insurance.

The value of legume crops as soil builders has long been recognized. Science has discovered why this is the case and now provides nitro-cultures which are nothing more or less than spores of the bacteria that cause the rank growth of these crops. By using nitro-cultures you are simply sowing the seed not only of alfalfa, sweet clover or whatever the crop may be, but also the "seed" of the bacteria that must be associated with it before a satisfactory growth is made. As a convenience to the farming public, your local Agricultural Representative has laid in a stock of cultures for alfalfa, sweet clover, alsike and red clover. The cultures cost 50c. per bushel therefore, the cost per acre is very low.

Must Not "Make a Fool" of Ontario Liquor Law.

Newspaper despatches announcing that United States interests plan a chain of "oases" along the Canadian border, to which thirsty Americans may proceed by airplane, and incidentally play golf. etc., inspires Hon. W. H. Price, Attorney-General, to comment that Americans, while quite welcome to enjoy all Ontario's priv. ileges, will not be allowed to "make a fool of" our liquor laws.

HORNBY.

Mr. and Mrs. Jos. Anderson and fam ly from Michigan, motored through the village and spent a few days at he Anderson home on the 7th line. The special music rendered by the choir of Boston Presbyterian Church was of a very high order, under the direction of C. S. Hately, last Sabbath at the morning service. Rev. P. W. Innes preached on the "Empty Tomb" and the services were fairly well attended despite the bad roads. Master Gordon and Jack MacInnes returned home after spending their Easter vacation at Brantford. G. A. Kennedy is confined to his bed under the care of a doctor and nurse.

We all hope for a speedy recovery for Jas. McDowell is improving every day, and Robt. King is now out of bed. We trust we shall find them around

again very soon. The base line has been in a very bad condition around the gate of Fred. Huffman's farm for about ten days and this has meant considerable inconvenience to travellers, especially to our doctors, who are very busy caring for the sick. It is to be hoped that this will be put in safe condition very soon. We understand a car of crushed stone is on the way to this end. Next Lord's Day the Rev. P. W. MacInnes will carry on the series on Christ in John's Gospel, taking up "The Woman at the Well," chapter Note the time: Boston 11 a.m., magh 3 p.m. and Hornby 7 p.m.

next Sunday at 2 p.m. Come to the Bible Class yourself and bring your children. Remember the church service at 3 o'clock instead of 2.30. M. E. Turner, Boston, and Rev. P. W. MacInnes, Hornby, bave been appointed commissioners to the General Assembly of the Presbyterian Church in Canada at Regina, Sask., in June. We have been very fortunate in securing the services of Rev. Edgar Foreman, B.A. of Morningdale Presbyterian Church, Toronto, for our Hornby anniversary on the 10th June, both morning and evening. Mr. Foreman is a delightful preacher, with a fresh, evangelical message, and is a graduate of Manitoba College, Win-

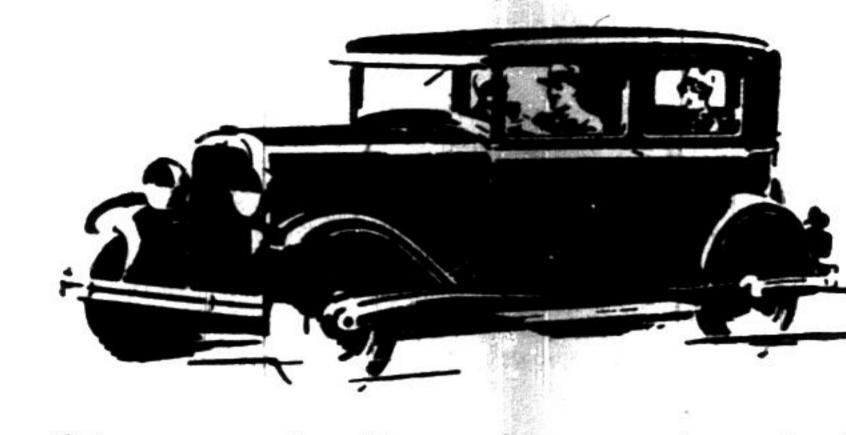

The remains of the late Miss J. C. Elliott were laid to rest in the Boston Church Cemetery last Saturday afternoon. Rev. P. W. MacInnes conducted the services both at the home in Milton and at the grave. Miss Elliott was highly respected in this district as of our daily papers, referring to her devotion and loyalty in her work in Hamilton Hospital. She died to save another. I am sure a kind word is due

NEW COMPLETELY NEW

and critics say. two years ahead

"Two years ahead in appearance and mechanically," says H. F. Blanchard of Motor "New in every respect. Gives the impression of being in a much higher price class," A. F. Denham of Motor Age . . . "An important advance in the art of car building," Walter C. Boynton in Automotive Daily News.

A CCORDING to men whose opinions count, there is the spirit of tomorrow in the thrilling performance and voguish appearance of this new Oldsmobile Six.

A new, high-compression 55 h.p. engine offers an abundance of smooth, quiet, economical power, resulting in flashing get-away, speed and long-lived stamina. The smart lines and luxurious finish of new Fisher Bodies match the advanced engineering of engine and chassis. New roominess and silenced interiors provide new comfort and enjoyment.

A score of other new chassis and body features - features which heretofore have identified high priced cars-definitely establish this new Oldsmobile as the Fine Car of Low Price. Drive it. Put it to your own test for

quality. Then you, too, will agree with engineers and critics-it is truly two years ahead. 0-14-4-28C At Factory, Oshawa
