## 40-cent visit!

Telephone visits, of course — intimate little talks once a week — at an average cost of only 40 cents! When the sisters were

first separated, there were long letters, then shorter ones, then an occasional note between rare visits. But now — they visit

regularly, because they have discovered how inexpensive, and satisfying, Long Distance calls are, and how quick, especially Station-to-Station calls after 8.30 . After midnight, the rates are even lower.

Only 40 cents a week to keep this family united! Isn't it worth it?

## in Performance and Appearance

TODAY's Pontiac Six is the most impressive example of value-giving in the whole history of the low-priced

Substantial gains in motoring pleasure and economy result from important mechanical advancements, such as a new Marvel carburetor, new manifolding, etc. More intriguing beauty and the much desired air of rugged compactness have been achieved by the use of smaller, smarter wheels and larger tires.

And, beneath all its brilliance of beauty and performance, Pontiac Six is a supremely dependable car . . a car that sails through a wearing, tearing, day-long drive and finishes with the same spirited freshness with which it started the trip. Come in and investigate this amazing car-General
