DR. A. G. DOUGHTY.

Dominion Archives. Dr. A. G. Doughty, Dominion ariod, 1850-60. She has also a collec-desert, in Southern California, look-chivist, who has added another histion of etchings and old prints, and is ing for gold. They were not success. torical treasure to the Dominion arful, and one night, feeling very dis- chives in a number of hand-written conraged, camped on the bank of a letters by Louis Riel, fanatical chamsmall creek and lit a fire to cook their pion of Indian rights in the north-

supper. The fire began to throw out west, is Canada's super-treasure Heroes of fiction and of newspaper feature stories, are in the habit of fitting out expeditions at their own expense to go in search of Spanish doubloons, lost by the Armada, or pirate gold buried in the Spanish

Main. Dr. Doughty is not a treasure hunter in this sense. Indeed, he is not an ordinary treasure hunter at all. His hunting is done at the request of the State and finder or loser he is paid the salary of a deputy minister.

For twenty-six years—as Dominion archivist — Dr. Doughty has sought treasures for Canada, and his success has been remarkable. A few years ago Parliament voted money to erec a new and modern building to house the treasure trove he has brought t Ottawa. In this building, in an office upon whose walls are hung paintings worth a modest fortune, behind a door of solid shining copper he sits

and plans new campaigns. His latest find is replete with interest for the Prairie Provinces. seems that one of the private soldiers of the Wolseley expedition was in the party which captured lower Fort Garry. He seized a number of docuturning them over to his superior officer, sent them back to his mother at York, England. The documents in- for hardware or tinsmith. They are both good as new. They will clude letters written by "President Louis Riel of the Northwest Territories," to his lieutenants; the "List of Rights," issued by Riel prior to the rebellion of 1870, and the first act passed by the first Legislature of

the Territories. These documents, neatly pasted a bound scrapbook are now available to the public, along with scores of (5) is subject to rough and (2) which Dr. Doughty has gathered together in twenty-six years of questcult to secure, yet the a ling. There is the slik shirt in which Wolfe's body was wrapped in the return to England; the miniature model of Quebec City prepared for Wellington in order that the Iron Duke might make recommendations for improving its military strength; the coat Gen. Brock wore when shot in

battle; and innum poble others. Dr. Doughty has written sufficient history to fill a modest library. In later years he has been accumulating degrees almost as rapidly as he has won historical treasures for this country. He now signs himself F.R. B.C., M.A., D. Litt. and C.M.G.

BRONZE AGE CARVINGS. Found on the Face of a Rock on a Hill In Denmark. On a hill near Allinge, in Bornsmaller one above it. The date is supposed to be from 1000 to 500 B.C. This part of the island of Bornholm is beautiful and the rock faces
