## Opens Branch in Milton.

The J. F. Crowley Company, who recently opened a branch in Milton on Main St, opposite the Farmer's Cooperative Building, has been awarded he contract for the plumbing and heating in connection with the new church to be erected on the Toronto & Hamilton Highway near Aldershot. The plans and specifications were prepared by Geo. T. Evans, of Hamilton, Hamilton Jockey Club's Second Sum- WOWN WOWN WOWN a noted church architect, for the trusof West Plains United Church. The total cost is estimated ut \$35,000.

Mr. Crowley, in addition to conduct- closed a few weeks ago, the racing was ing the affairs of the company, also much above the average, in fact it was finds time to act as President of the the best seen so far this year on the Dundas Board of Trade. The company is exceptionally busy at ing will no doubt prove as good if not Dundas at the present time and the better, as practically all the same Milton Branch reports a good volume stables will again be on hand. Already of business closed with prospects for a large number are on the grounds, the future exceedingly bright

## KNOX CHURCH.

The united services of Knox and St. Paul's congregations will be held next Sunday as usual in Knox Presbyterian Church, and Rev. J. N. McFaul will be in charge of both services. The united services will continue in the Presbyterian This is a very popular feature at Hamchurch during the month of July.

The Canadian Pacific Railway is to provide its rolling stock with shock- track. absorbers and noise-eliminators. This is a progressive step; but alas, it seems to be as far away as ever for stumpspeakers in an election campaign.
