> WHERE CLEMENCEAU DIED. as an Unofficial Museum.

While the question whether the apartment in the Rue Franklin, Parwhere Georges Clemenceau died to have official status as a national museum remains unsettled, it is actually being maintained as an unofficial museum by "the Tiger's" faithful old valet, Albert.

Hardly a day passes that a number of persons apply to Albert for permission to see the study where his master worked on his memoirs almost up to the moment of his death. Albert has jealously seen to it that everything is just as it was the day M. Clemenceau died. Even the desk calendar remains untouched, marking the date of November 24, 1920. The Hume-At Ottawa, on February 5th old-fashioned quill pen Clemenceau preferred reposes under the desk blotter. One of his reference books is open at the page he last consulted.
