This Year's Tests.

Geo. Switzer. W. J. Russell. LAST YEAR'S TESTS.

R. J. Burnfield.. Edwin Harrop..... G. H. Switzer Acton . It is the desire of the Department of Chemistry and your Agricultural

Representative, who assisted in the location of these tests, that you visit one or more of these tests during the growing season and study for yourselves results that are apparent. Where tests were conducted last year as a rule no further fertilizers have been added, so that results that you see here are entirely from the hangover effect of what was applied last year.

The representative of the Department of Chemistry lays out the tests, applies the fertilizers, and prints on the stakes the amount and analysis of fertilizers used. Hence any visitor can gather all the facts readily. Students and alumni of the O.A.C. will be especially interested in these demonstration tests Farmers in general will find that a visit to as many of the tests as they can reach will be of great value, Final results will be published as soon after harvest as possible. Take an hour or two to visit the plots in your own county.

A. G. KIRSTINE,

Department of Agriculture, Milton, Ont., Halton County.

GOOD VALUES

See us when you want a USED CAR. We have many good values taken in trade. Wide selection in makes,

types and prices

HOW THE FORD POLICY PROTECTS YOU

The Ford dealer will give you good value in a Used Car just as he gives you good value in a new car. The Ford policy is one of fair dealing in every transaction.

The Used Cars offered for sale by Ford dealers have been taken in trade for new Fords. Because there was no over-allowance at that time, there is no overcharge in the price you pay. We base our allowance on the true worth of the Used Car. It is re-sold to you on the same basis.

Our Used Cars Include many makes and many types - open and closed. Some are relatively new -- some have seen a great deal of service. There is a wide range of prices, depending on the make and condition of the car. And before we offer a Used Car for sale it is gone over carefully by experienced mechanics and put in good serviceable condition.

Our business grows in accordance with the service we render motorists in our territory. We know that giving good bonest value in Used Cars will lead to more sales of new Fords. We want your business, your friendship and your respect. See us, therefore, when you went a good Used Car. You can be equilibrat of receiving good

raine for your money.

Hamilton Summer Kaces.

Racing under the jurisdiction of the Canadian Racing Association will return to this district with the opening of the Hamilton Jockey Club's first summer meeting, Wednesday, June 24th. The meeting will end on the following Wednesday, July 1st, Dominion Day. Aiready a large number of horse-

men have arrived at Hamilton and are resting up their horses for the coming meeting. Stables from various points in the United States have applied for stalls and all the prominent owners now racing in Canada will also be represented. That the meeting will be a success from a racing standpoint is assured as there will be no dearth o. good material and the track is in excellent condition, having received a new top dressing this spring. There will be seven races each day beginnin at 2.30, daylight saving time, with 1 purse less than \$1,000. The features for the opening include the Mount Hope Purse for three-year-olds and upward, foaled in Canada, over a distance of six and half furlongs. This a new distance for Hamilton and a races of this length will be out of a chute in which starting stalls have been built. The Mountain Valley plate for two-year-olds at five furlongs and The Salisbury Purse at a mile and asixteenth journey. The last race each day will be decided over the grass course. The general admission fee this year will be \$2 00, including tax.
