THE HOME-TOWN DOLLAR.

The home-town dollar might be de fined as the dollar which stays in the community, and through the continu al change of hands purchases for clothing and the necessities of he for the people of the home town in its life of service brings joy, hand ness and comfort to those when hands it passes through. The greatest asset of the hor

town dollar lies in its circulation through the series of wage-earner merchant, banker, factory, produce and back again to the wage earner who starts it back over the cycle and so long as it stays in the com munity, that dollar adds to the new chasing power of the citizenship. Tiger Catsup, large bottle determined through the volume business done by the merchants and manufacturers within its confine This business depends upon the ear ing power of the citizenship and com munity, and upon the amount which is spent by them in support of local business and industry.

The loyalty of a city's people in making their dollars become dollars is reflected in the general progress and development of our cities and towns. There is a true saying that com-

munities don't just grow. They are built by man-men and women who Crown Tea, 1 lb. bag visualize a city beautiful made up of churches, good schools, playground, Red & White Coffee, to live, work and play. When one enters a town which is composed of ness houses, good schools and clean streets, it is evident that there there have found a community which is prosperous and content. place, seen through the human eye, is a place built of stones, brick and mortar, presenting a pleasing picture; but behind these physical evidences of progress lies the fact that the life of the community is being carried on by a high sense of civic pride. It is evident that in the commun-

ity the home-town dollar is daily go ing its rounds of the "butcher, the baker and the candlestick maker," and in its travels moulding the character of the city .- Truth.
