MILTON, Aug. 19, 1937

The Ladies' Aid of St. David's Church held a successful tea on Wednesday last. The Sunday School was tastefully decorated with gladioli and Zinnias. The hostesses who received the guests were Mesdames Agnew, McPee and Miss Carrie McPhail. Miss Janet McPhail poured tea. Mrs. Wm. McPhail is indisposed with the "flu".

Mrs. John Gilmour was taken suddenly ill at the home of her daughter, Mrs. Chas. Neir, Hamilton, and was removed to the General Hospital on Sunday last. Her many friends trust that she will soon be restored to health.

Various teachers who have been taking Summer courses have returned and are enjoying a short holiday before returning to their duties in September.

DRUMQUIN

The recent rains have delayed the threshing operations and garnering in of the harvest.

The young people of Hornby circuit took charge of the evening service at Bethel Sunday evening. Johnston Neilands was in charge of the program while Fred May led in prayer. Mr. E. Fay, of Milton, gave a talk on "The Youth of the Day". His discourse was well thought out and brought in many interesting points. It was much appreciated by all present. It would be well for both young and old to strive to put these thoughts into practice.

Next Sunday evening, the 22nd, the young people of Bethel take charge of the service to be held at Ashgrove. Mr. and Mrs. John Pickett, Mr. Edith and Johnny, and Margaret Fuller, spent the week-end at Washago Beach, and passing through Meaford, Thornbury, Midland, Owen Sound by way of Guelph home.

Congratulations to Mr. John F. Ford on having passed the seventy-fifth milestone on the 15th inst. Many more happy returns is the wish of your many friends.

Mr. Stout has opened up the store formerly occupied by the Featherstone Bros. in our burg. He will also sell oil and gasoline. Success, success, sir.

Thos. Patterson is putting quite an addition to his former store. In future all our supplies can be obtained at home.

Spraying on the seventh line for noxious weeds should be very beneficial to property owners there.

HORNBY

Work on the radio transmitter station, near here, is progressing nicely. Roof concrete is to be poured at once, and marble, tile, terrazzo, piping and hardware remain to be let by the general contractor, W. B. Sullivan, Toronto. Construction of living quarters for the staff is contemplated for next fall.

The Y.P.U. of the Hornby circuit are taking charge of services during the last three weeks of August, while Rev. B. Eyre is having his holidays. Ashgrove Y.P.U. gave a splendid service at Bethel last Sunday evening. Sunday, Aug. 22, the service will be held at Hornby Church in the evening with Bethel Y.P.U. in charge.

Miss Estelle Ford was hostess at a surprise party in honor of her father's 75th birthday on Aug. 15th. Many happy returns of the day and many more to come.

An interesting meeting of the Bethel Mission Circle met at the home of Miss Margaret Geisbie on Saturday. A good number were present. The worship period was in charge of Misses Marie Patterson and Leila Featherstone. Several chapters of the study book "Men and Women of the Far Horizon" were taken. Mrs. Emerson Ford gave an interesting picture talk on "The Last Supper." At the close of the meeting a dainty lunch was served.

Miss Mary Sproule, of Brampton, is spending a few holidays at the home of her uncle and aunt, Mr. and Mrs. Fred Luck.

Mrs. J. Weir, of Port Perry, sister of Mrs. Emerson Ford, was a visitor at her home here for a few days.

The August meeting of Hornby W. L. was held at the home of Mrs. Milton Brown on Wednesday of last week. The meeting was in charge of the young girls, who furnished a very interesting programme. Miss Marion May gave paper on "Peace Gardens," vocal solos by Misses Wilma Johnson and Lois Merry; paper on "Looking Forward" by Miss Ruby Peacock, and a piano solo by Miss Grace Johnson, all of which were much enjoyed. At the close a dainty lunch was served.

ZIMMERMAN

Miss Betty Bennet is holidaying at Islington.

Kenneth Eades, of Toronto, is visiting Mr. Glen Campbell.

Mr. O. Sinclair, Misses Mary and Gloria Sinclair, of St. George, are visiting in the community.

Misses Norma and Lois Bridgman are visiting at Oakville.

Mrs. H. Downton has returned to her home here after spending several weeks in the General Hospital, Hamilton, following a motor accident.

A number from here attended the annual Blakelock picnic at Oakville. Due to the absence of Rev. W. R. Archer Mr. D. H. Bennett conducted the service Sunday night. Rev. G. F. Kelly, of Lakefield, will be in charge next Sunday.

The W. A. held their regular meeting at the home of Mrs. S. Bennett on Thursday. The program consisted of a solo by Miss Evelyn French, a duet by the Misses Betty Bennett and Alfreda Rogers, and a paper and contest by Mrs. L. Gowland. Dainty refreshments were served by the hostess.

BASEBALL

The Executive of the Milton Baseball Club would like to advise local fans of the particulars of the disagreement in the Halton County League. Milton entered no protest regarding any player. The O.B.A. threw out a player of one of the teams after the play-off games had started and the Milton club felt that if this particular player could play no more games he should not have been allowed to participate in the game against Milton. The O.B.A. at their meeting next Friday evening will be asked to decide.

Re PROTEST (Burlington Gazette)

Much has happened in the local baseball world during the past week, so much so that the Burlington and Milton teams do not now know where they stand. Milton, the perennial champions of Halton County League, were handed a rude jolt by Burlington, so rude in fact they were jolted out of the playdowns by two straight defeats at the hands of "Lefty" Jacobs, Burlington's star southpaw. In the first game at Milton the county town boys were handicuffed with three hits to Burlington's eight, Burlington winning by 5-1. Not satisfied with this victory Manager Thorpe in the return game at Burlington on Wednesday last, sent "Lefty" right back at the strong Milton squad. Again they were handicuffed with another three hits to Burlington's eleven, Burlington winning by 4 to 3. The big difference in the teams was in the hurling department, Milton not having earned one run in two games, with Burlington having one earned run in Milton and two in the second game here.

Not being able to win on the field Milton resorted to the old tactics of winning in the committee room. Immediately following the second game, in fact on Thursday last, trouble started with a claim against Burlington for having an ineligible player, Caskie, the catcher. Just why he should be allowed to play six or seven league games and all of a sudden less than twenty-four hours after Milton had been eliminated, something happens, makes one wonder. On Monday night at a sub-committee meeting of the O. B. A. A. Caskie immediately followed the second game, started with a claim against Burlington for having an ineligible player, Caskie, the catcher. Just why he should be allowed to play six or seven league games and all of a sudden less than twenty-four hours after Milton had been eliminated, something happens, makes one wonder.

The local club's management and

executive are at a loss to understand this action and believe that a proper presentation of Caskie's case to the O. B. A. executive on Friday night of this week will see the poppy lar catcher of the team re-instated for the play-off games with Acton next week.

NELSON ESSAY CONTEST

Awards in the Nelson Essay Contest are to be made in Palermo on Aug. 27th at the Public Hall at 8 p.m., D.S.E. A very interesting, educational and patriotic program has been arranged. The essays will be read and a flag presented to the school.

Mrs. Colin Campbell, who was in London during the Coronation festivities, will give an address. She has gleaned many interesting facts on the life of Lord Nelson, the Empire's National Hero, in whose honor Halton County has named two of her Townships.

All boys and girls, educationalists and patriotic workers are invited to be present and enjoy a lovely summer's evening. Admission free. Refreshment booth at the hall.

\$2,000,000 Bridge Planned For the Canal

Provincial government engineers are making plans for the building of a new \$2,000,000 steel bridge over the canal at the Beach. According to plan the bridge will not be started until next year and will take about two years to build. The structure will be 120 feet long and have a road with an approach of 3 per cent. of an upgrade. A new four-lane highway will also be constructed over the Beach on the bay side.

WILDER'S MACLEAN STOMACH POWDERS

English chemicals of highest purity blended into a formula used by leading hospitals and stomach specialists. Guard against inferior imitations. Demand the blue checked tin. 50c and \$1.00 at Pickett's Drug Store.

There is no agricultural show in the world equal to that of the Canadian National Exhibition. All the new developments as applied to farm, field, and orchard are on display. Horses, cattle, sheep, swine, poultry, goats, caviar, dairy products, vegetables, fruit, flowers, grain, machinery and farm equipment of all kinds are there in profusion.

Every move that is a step towards making the Second Line from Acton to Milton a part of the provincial Highway system is encouraging. And so the information that the Order-in-Council had been finally signed and plans registered last week was pleasant news. It is an improvement promised for years so it can readily be understood that it is necessary to see the actual work commenced, before one can believe that it will be paved. As a gravel road it is maintained in good condition, but the traffic that uses it has most of the road surface each year spread in the nearby fields and the maintenance costs heavy. Actual work, it is hoped, will be commenced immediately and paving be carried on early next year. -Acton Free Press.

If you drive recklessly and have not made up your mind to stop it, you are going to find yourself in serious trouble — soon! The Department of Highways is determined to put reckless drivers off the road and keep them off. If you need your car in business, stop and think for a minute what would happen if you had your driving license cancelled. You might lose your job. But what is your job compared to the death, crippling, or injuring of a good citizen!

Reckless drivers are criminals going along our highways breaking laws, maiming and killing defenseless people. Our laws are adequate and fair. Obey them and you will keep out of trouble; break them and take the consequences.

ONTARIO MOTORISTS WILL CO-OPERATE

to put reckless drivers where they belong. Here is what to do. Toronto To Have Two Morning Newspapers

According to reports Toronto is to have two morning newspapers and the first issue will appear before the next provincial election. The source of the information which was made available last week was closely connected with the old Mail and Empire and he is playing an important part in clearing up some final details in connection with the new daily. He stated that ample funds are at hand, having been furnished by parties closely allied with the Conservative party, and the newspaper will support the Conservative party as did the Mail and Empire. Asked if the newspaper will be going before the Fall, he stated that plans had been completed to have the newspaper introduced to the public "long before the next election so that the Conservative party will have a morning organ in the field to give the Hon. Earl Rowe, Conservative leader, as much support as the Globe and Mail will give to Premier Hepburn. Financial details are all complete, and there remains only the job of getting the staff together. No difficulty is anticipated in this regard, however, as employees of the old Mail and Empire will be given preferences. F. D. L. Smith, Editor-in-Chief of the Mail and Empire, will assume the same position with the new daily, and it is believed Edwin Allan will be Sports Editor. Apart from that no statement has been issued as to the personnel.

The Canadian National Exhibition is but one week from to-morrow—on Friday, Aug. 27th, which is Opening Day—watch for ads. every week.
