MILTON, AUG. 26, 1937

Ontario Election Oct. 6th Nomination Day Sept. 29

Ontario's long-mooted general election will be held on Wednesday, Oct. 6th. Premier Hepburn announced last Monday night following a three-hour council with his cabinet at Queen's Park.

Official nomination day will fall on Wednesday, Sept. 29th.

COUNTY COUNCIL

The regular meeting of Halton county council was held in Milton on Tuesday, with the warden in the chair and all members present.

The chief item of business was the appointment of a county clerk. Mr. A. L. McNabb, of Milton, who received the appointment at the previous meeting, passed away before he took office, and this necessitated a new appointment at the meeting yesterday.

William Deans, of Georgetown, the runner-up to Mr. McNabb, received the appointment after council divided on the appointment. Following the first reading of the by-law a discussion took place, and when the name of Mr. Deans was proposed, the name of Miss Maxstead, the treasurer, was proposed by Mr. Byers, deputy-reeve, of Oakville. It came out during the discussion that Miss Maxstead was willing to accept the position at a lower salary than if \$1500 was paid for treasurer and \$1000 for the clerk. Finally the vote was recorded for the appointment of Mr. Deans, as follows: Yeas—Hall, Gilbert, McNabb, Gordon, Davis, Blair and Allen. Nays—Robinson, McCutcheon, Currie, Byers, Hewson and Irving. The third reading of the by-law then carried and William Deans, Georgetown, was named clerk for the county of Halton at a yearly salary of \$1000.

Mr. Deans was also appointed secretary of the Old Age Pension Board and the Mothers' Allowance.

Following the routine business the council went into committee of the whole to consider the reports of the standing committees. Mr. McNiven, in the chair.

The county buildings committee recommended payment of miscellaneous accounts, and that a letter from Mrs. Bertha Brown, re sale of Gordon Home, be filed.

The Finance Committee recommended that a by-law be prepared to raise a levy of 4 mills for general rate on the equalized assessment of the county. This was a reduction of one mill by two mills from last year, due to certain new regulations regarding the payment of high school accounts, relief from Old Age Pension payments, provincial highway and other things taken over by the provincial government. They further recommended that in addition to the four mills, the by-law include a rate of one mill on the equalized assessment for county road purposes, and in addition to these sums there be levied and collected from each municipality the following amounts under special by-laws:

Acton	107.24
Burlington	178.73
Georgetown	536.18
Milton	1020.09
Esquesing	743.69
Nelson	626.26
Trafalgar	15354.01

In addition to the foregoing sums there will be levied and collected from the four townships the sums of \$37,082.24, representing the cost of education of county pupils at the various High Schools, as directed by 1936 and 1937 amendments to the High School Act. The said sums were apportioned as follows:

Trafalgar	\$13350.74
Nelson	11304.94
Esquesing	8788.49
Nassagaweya	3644.09

On motion of Mr. Currie, seconded by Mr. McCutcheon, the reports of the standing committees as considered and amended in committee of the whole were adopted.

Mr. Hewson moved, seconded by Mr. Byers, that the following accounts as passed in committee of the whole be hereby adopted and the treasurer authorized to pay same: Printing, \$9.95; agriculture, \$108.00; county buildings, \$29.77; hospital accounts, \$1167.85; finance, \$1740.92.

The by-law to levy a rate for the expenses of the county of Halton for the current financial year was read three readings. Another by-law passed designated certain county roads of the county as through highways.

The council adjourned to meet at the call of the warden.

Halton County Lord Nelson Essay Competition

A public presentation of the awards in the Halton county Lord Nelson essay competition will be made at the public hall, Palmerston, on the evening of Friday, August 27th, at eight o'clock, daylight saving time.

This competition has been taken part in by a large number of schools in the county and it is held at the public hall, on the occasion of presenting these prizes there will be a general attendance of all who are interested in this educational and patriotic project.

Mrs. Colin H. Campbell, O.B.E., the donor of the prizes, who was in London, England, during the coronation festivities, will give an address on "The Coronation in Westminster Abbey as Seen by a Halton County Woman." She has not only a very interesting story of this event, but also many interesting facts relating to Lord Nelson and the events of London, with which institution she came into close touch when overseas.

The three winning essays will be read by their authors, whose names were recently announced, and in addition there will be an address by Mrs. J. A. McNiven, of Acton, chairman of the adjudicating committee. There will also be music by the pupils of Palmerston public school. The chair will be occupied by Inspector J. M. Denyes, of Milton. A cordial invitation is extended to old and young to attend this gathering. There will be no admission charge.

Milton Juveniles 1. Galt Juveniles 0

Cheer, all cheer, the gallant Milton Younsters Who did this deed of daring do: From the kids at the zoo to Timbuktoo. There never was a gang of kids like ours.

Phew! Excuse our exuberance, fans. That was some game that Galt and Milton Juveniles turned in last Saturday afternoon at the Park here in the first game of the second round of the O.B.A.A. play downs. Thrills and more thrills was the motto of both teams and they had the fans in a continuous uproar. You fans who stayed home watching for the century plant to bloom missed one of the greatest junior or juvenile games ever played in this county. That is just one kind of game we could go into a rave over—score 1 to 0 the right way—12 innings, one run, five hits and five errors, with Milton getting the odd numbers in the last three terms.

Remarkable and superb pitching by Mercer and "Scotty" Patterson featured the game. It was a crime for either twirler to lose a contest like that. Sport writers claim this boy Mercer to be the best prospect the inter-counties ever had and after seeing his exhibition last Saturday we believe them. He has all the earmarks of leaping into senior prominence shortly.

The Galt club had just lost one game all season up to last Saturday and looked very impressive in defeat. They are an older and much larger squad than our boys well coached and full of pep. But to the Halton County representatives they were just another ball team or on the day they tackled the "Scotty" Patterson's skillful delivery or his team's brilliant support. The Galt fielders played cleverly; they are all good. Murray, the catcher and Bain were excellent. The pitcher, got both hits, one in the third and one in the tenth. The Milton youths played with everything they had throughout every minute of the game and rose to the occasion valiantly. Good ball players are not rated by size or weight but by the fight they put up against strong odds. "Scotty" Patterson, who toed the slab for Milton, not only won the game but also won the admiration of all with a spectacular pitching display. He had to have something to do with the argument from Mercer. Lyle, his batting mate, handled the catching assignment in fine shape.

Galt got the breaks of the game in the ninth innings which was just a nightmare to the homesters. Bain walked, Lawrence got his base when hit by a pitched ball. Pickard was safe on an attempted force at third. It looked like the curtain for Milton, the bases all tenanted and nobody out.

A clever double-play. Learmont to Evans, causing the situation somewhat. Walker the next batter drew a walk and the bases were all loaded again. "Pinkie" Coxe came across with the highlight of a game that had quite a few highlights. "Pinkie" slipped on the soggy ground when fielding Adair's easy roller and while laying on his back threw the runner out at second, Coxe to Brush.

Fielding the local fielding stars is a difficult task when all did so well. Coxe, Brush and Evans had more chances consequently they showed to better advantage. Merkle, Sproat and Charlton, the outfielders, had nothing in particular to do and did it very well.

This boy Evans is the youngest and smallest boy we ever saw covering the hot corner. He is only about the size of a minute, in fact, if he pulled up his socks to their full length he would be blindfolded. Anyway, he's got what it takes.

Coxe, Sproat and Patterson got Milton's three hits. If there is such a thing as a million dollar hit, that rousing double of "Scotty" in the last of the 12th that drove Russ Brush home with the winning run was the one.

Umpires: Bill Almas, Preston, and Don Toletzka, Milton.

Milton gained the right to advance to the finals of the Halton County League when they eliminated Burlington from further contention at the park, here, last night before a large crowd. Errors figured largely in the scoring and with neither team showing championship form, Milton nosed out the Lake Shore club by the score 7 to 6. London, who pitched the last four innings buried well and limited his opponents to two hits, Toletzka and W. Clement led the batters for the locals with three hits each. For the losers, Ryan, Thorpe and Eston gathered in two hits each but the latter was the big batting gun, however, driving in four runs. The most pleasing feature of the game was the work of the umpires who turned what would have been a slipshod game into a pitch contest by their snappy and efficient work. Milton will play Acton at the grounds here next Saturday.

Galleries: Clement, London, Brush; Jacobs and Pickard.

Umpires: Patterson and Lewis, of Toronto.

Milton Juveniles put up a stubborn battle at Galt last night in the O. B. A. A. play downs, but lost a close contest by the score of 4 to 2. "Scotty" Patterson pitched the last five innings and only allowed one hit.

Galt, a sensational young pitcher, Mercer, and Milton's one and only "Scotty" Patterson will renew their pitching feud at the Ball Park, here, next Monday evening at 5:30. Every local fan should be in attendance, not so much for the game they will see, but to show their appreciation for the brilliant baseball these youngsters play and the fighting spirit they have displayed against strong odds.

MRS. F. W. BABCOCK

Christina Grace Landsborough, wife of F. W. Babcock, died suddenly at her home on Bronte Street early Saturday morning. Deceased, who was in her 62nd year, was a life-long resident of Milton. She was an active member of Evening Star Rebekah Lodge, Milton, which, with representatives of the Rebekahs from Acton and Georgetown, were present in a body at the largely attended funeral which was held on Monday afternoon to Evergreen Cemetery, where they took part in the burial service. Rev. Canon Natfel conducted the funeral service. Surviving are her husband, one son and daughter, Francis J. and Margaret Eunice, both at home; three brothers, William, of Acton; Thomas, Hyde Park, Ont.; Edwin, of Galt; one sister, Mrs. Frank Wickins, of Galt; also her father, Jas. Landsborough, Milton. The pallbearers were Messrs. James Babcock, Jack Landsborough, Charles Landsborough, Russell Dryden, Francis Ford and William Anderson. The floral tributes were many and beautiful.

CHRISTOPHER CURRIE

The funeral of Christopher Currie, well-known Milton resident, who died Saturday evening after a lingering illness, was held on Tuesday afternoon. Mr. Currie, who was in his 78th year, is the last of his immediate family. Born in Streetsville, he came to Milton when a small boy and had spent practically the rest of his life here. He was a member of the Orange Lodge, taking an active part in 12th of July celebrations. For some time Mr. Currie resided in Hamilton, where he was a member of the Black Knights. Service at the home was conducted by the Rev. Canon Natfel, the service at the cemetery being led by the Rev. Canon Natfel, county chaplain, and Bro. Maude, acting as Marshal. The pallbearers were Bros. W. Chapman, Geo. Peacock, James Galbraith, William Boyes, Geo. Bell and John Mills. There were many beautiful floral tributes. Mr. Currie is survived by his widow only.

HONOURABLE EARL ROWE

States His Party's Stand on Labor

The national policy of the Liberal-Conservative Party, Provincial and Dominion, for many years has been to create industry for the purpose of providing work and wages for labor and a profitable home market for the farmer; the lumberman and other primary producers. The Party's sympathetic attitude towards labor is evidenced by the Social legislation on our statute books.

The Liberal-Conservative Party believes that labor should receive a fair share of the fruits of industry and is entitled to organize in order to improve the lot of the worker as regards wages, hours, security in old age and all other conditions of industrial life. The Liberal-Conservative Party reaffirms its traditional policy of insisting upon the maintenance of law and order in all industrial disputes and pledges itself firmly and scrupulously to uphold the laws of Canada.

The Liberal-Conservative Party in Ontario stands for the following:

1. The right of employees to bargain collectively through their own representatives chosen without dictation, coercion or intimidation.
2. It is and has for many decades been a fact that both capital and labor are International in their organization. Accordingly the right of the worker to belong to the union of his choosing, Canadian or International, craft or industrial, is fully established; provided always that the unions must observe, and that capital must observe, in all their actions, the laws of Canada.
3. The Liberal-Conservative Party is unalterably opposed to the introduction into Ontario of sit-down strikes, sabotage or other violations of our law, and for the purpose of clarity hereby places itself on record as being opposed to such illegalities whether they are introduced into Ontario by labor unions affiliated with the C. I. O., the A. F. of L., or any other organization, capital or labor.
4. That representatives from other countries, both of capital and labor, shall be subject on the same principles as other people to our immigration laws and that they shall when admitted to this country, strictly observe the laws of the land.
5. The primary function of the state in all industrial disputes is FIRST—to take no sides and to maintain law and order without the display of unnecessary or provocative force, and SECOND, to enact and impartially administer adequate legislation for the conciliation of industrial disputes.
6. The right to work in Canada is not dependent upon membership in any organization.
7. That no strike shall take place until all reasonable methods of conciliation are exhausted and the worker should have the right of secret ballot free from improper influence or coercion in all decisions relating to the dispute.
8. The Liberal-Conservative Party will continue in the future as in the past to defend the principle of freedom of association within the law. The party re-affirms its belief that the essence of democracy is trust in the people and to rely on freedom and not in dictatorship, that public opinion may be led but not driven and that the greatest safeguard of orderly progress and reform is the sound common sense of all classes of the Canadian people.

I have stated frankly and fearlessly my party's policy toward labor and law enforcement. I stand now, as always, for law and order, for all, under all circumstances. This policy is the democratic British method and I shall apply these principles in the administration of our provincial affairs.
