 Who were the people who rejected the Lord Jesus Christ in His day? It was the religious people—the scribes, pharisees, chief priests and others. They rejected Him and His word and His love; they cried away with Him, we will not have Him to reign over us. These people were religious. You can have a form of religion just like those people. You have read in St. Matthew of the five foolish virgins and five were wise. The five who were ready went with their Lord, but the five foolish virgins perished because they were not ready. Religion will not save any one. Religious activities will not save any one. But a personal contact with the Lord Jesus Christ will save you. God has spoken to you many times to depart from sin. God has spoken to you that He might warn you from the judgment and wrath. The judgment fell in Noah's day, in Lot's day, and in Judas, Hamaan, Adam and Eve. All these people had a chance to escape from sin and its power, but they would not listen. This judgment will fall on you if you are not sheltered by the blood of Jesus Christ. For God so loved the world that He gave His only begotten son that whosoever believeth in Him should not perish but have everlasting life. Romans 5: 8, But God commended His love toward us in that while we were yet sinners Christ died for us. God loves you.
 J. Mountain.
