

COUNTY COUNCIL

Halt county council met in Milton on Tuesday. The principal business was the passing of a by-law to levy a rate for the expenses of the county of Halton for the current year.

The by-law called for a rate of 3.10 mills on the dollar for general rate, 1 mill for county road purposes and also special rates as named in the by-laws.

At the afternoon session reports of the standing committees were read prior to their discussion in committee of the whole with Mr. Davis in the chair.

Mr. Allen, chairman of the county buildings committee, stated that expenditures on county buildings would be considerably less than last year, as it was absolutely necessary that a new boiler for the heating system be installed and also necessary repairs and improvements be made to the registry office and the jail.

Mr. Gordon, chairman of the agriculture committee, reported that as a committee they had been able to do very little along reforestation lines but he understood that several private enterprises were already on foot.

Mr. Hall suggested that government might be asked to reforest waste land and also suggested that landowners be encouraged to fence their property.

Mr. Gordon thought that as long as farmers irrigated and drained the marshes there was bound to be a water shortage.

Moved by Mr. Robinson, seconded by Mr. Wilson, the treasurer be instructed to make the following rebates, representing the amount paid in the 1937 rates by each of these municipalities as a final settlement of these rebates.

Moved by Mr. Hall, seconded by Mr. Keras, that the committee on county buildings consider the tenders for a new boiler and have the same installed and other necessary repairs made.

Moved by Mr. Irving, seconded by Mr. Byers, that leave be granted to introduce a by-law to levy a rate for the expenses of the county of Halton for the current financial year.

BASEBALL

Loosing a 16-hit blast on Armstrong Milton trounced Hespler 12 to 4 in a Halton County League fixture at the Park here last Saturday.

Both managers were forced to shift their lineup around due to the absence of regular players. The visitors lacked two pitchers and a catcher, the homesters being short a first-base man, catcher and outfielder.

The Hespler team did not perform in convincing style in the field and demonstrated the poorest base-running we have witnessed in a long time.

On the day pitcher Armstrong was just another thrower, but he would likely have shown up better with average support.

London, on the hill top for the winners, though a little wild at times, kept command throughout. He allowed 12 hits but managed to keep them scattered enough to keep out of trouble.

Mr. Clement with four hits, Merk'ey and Blinco with three each generated the power on the attack for the locals, with King, Stark and Kline being the big swatters for the vanquished with two each.

Following are the results of the Milton and District Softball League fixtures:

In the final scheduled games of the Milton and District Softball League last Friday and Monday, Milton Heights defaulted two games to the Spinning Mills.

Mr. Porter, formerly reeve of Trafalgar, and for many years a leading resident of the district, died suddenly at his home, Dundas Street, Oakville, on Tuesday, July 5th.

Mr. Porter had suffered for some years from a heart ailment, and had been confined to bed for several days, his death was quite unexpected, and came as a shock to his wife and daughter.

The late Mr. Porter was in his 84th year, and was a well-known resident of the district, having been born in the town of Trafalgar, Ontario, on the fourth line, Trafalgar, three miles north of the Dundas highway.

Boxing and Wrestling Match

The boxing and wrestling match held in the arena last Thursday night was over with a bang, with crowd and fannies present, and not knowing just what to expect, everyone was anxious for hostilities to commence.

With gaiter Andy Blinco acting as M.C. and "what have you." The first wrestling bout was called at 9 p.m., the principals concerned being two local lads, H. Brush vs. Bud Homewood.

The next bout, ladies and gents, we take pleasure in presenting Jim Schinazi, Berneice Sim (hon.) Marie Louise, of Hamilton, at 130 lbs.

The afternoon tea sponsored by the Belmont Mission Circle, held at the home of Mrs. Debert Downs, was a decided success.

Mr. Porter had suffered for some years from a heart ailment, and had been confined to bed for several days, his death was quite unexpected, and came as a shock to his wife and daughter.

The late Mr. Porter was in his 84th year, and was a well-known resident of the district, having been born in the town of Trafalgar, Ontario, on the fourth line, Trafalgar, three miles north of the Dundas highway.

Mr. Porter was a member of the Knox Presbyterian Church, and was a devoted member of Knox Sixteen church, in which he was baptized. His father was among those who laid the corner stone of the church edifice, and the church owes its existence largely to the generosity of his family.

Judge W. Dowler Dies Suddenly at Fort William.

For twenty years a brilliant barrister and leading citizen of Fort William, and for seven years judge of the district court in Kenora, William A. Dowler, K.C., died suddenly Sunday morning from a heart attack in his apartment in the Royal Edward Hotel. He was 70 years old.

Coming with complete and unexpected suddenness about 6.30 o'clock, the death of Judge Dowler was a profound sorrow not only at the home of the Lake, but throughout north-western Ontario where he was acknowledged an outstanding figure during the past thirty years.

Retiring from the bench only 12 days ago, he returned to Fort William last week with Mrs. Dowler to resume residence in the city he loved deeply, planning to continue legal practice in a consultative capacity and to resume those community and district activities that carved for him a unique place in the annals of this centre.

In the few brief days allotted him after his return, he was welcomed by hundreds of the friends he made in years past. He complained of no illness after his arrival here and said he was looking forward eagerly to the resumption of relations in community affairs close to his heart. His passing was painful.

Besides the bereaved widow, two sons survive. The eldest, Judge Arthur W. Dowler, of Fort William, and Dr. Vernon E. Dowler, of Dodge City, Kansas. Two sisters also are left, Miss Catherine Dowler, of Victoria, B.C., and Mrs. Nettie Macintosh, of Milton, Ont.—Fort William Daily Times Journal, June 13th.

Dainty refreshments were served by the hostess.

We are glad to report that P. D. Salter is improving after his recent painful accident, but it will be some time yet before he will be able to assist in his business. Is Premier Aberhart irrepressible, irrepressible, or both? He says, coolly, that but for disallowance of his legislation the Alberta Government probably would have paid the \$25 a month Social Credit dividend. "Probably not" will be the general opinion.
