County Councillors Attend Forest Field Day

Reforestation and conservation is a live topic among county councillors throughout the province, and forest field days are being held in various sections of southern Ontario. Recently such an event in York and Ontario counties was attended by over 200 from the counties of York, Ontario, Victoria, Halton, Brant and Hamilton. The delegation from Halton was composed of Reeves Gordon, Hall, McNiven, Deputy Reeve Kerns, Road Superintendent Wm. Fulton of Nassagaweya, and Agricultural Representative J. B. White. Visits were made to the St. Lawrence and Ontario forests, where over 2,000 acres have been planted since 1924. Much of these large areas was formerly blue sand but today is a source of inspiration to all who are interested in protecting such natural resources as soil, water supply and timber wealth. Dr. G. I. Christie, president of the Ontario Agricultural College, and Hon. J. E. Drury were the chief speakers. Needless to say, those in attendance returned home more than ever convinced that the project is sound and one which will pay big dividends in the future.

Old Superstition About St. Swithin's Day

The old superstition surrounding the rainfall following St. Swithin's day remains unbroken. But believers in the legend were given some support when rain fell for twenty of the forty days following St. Swithin's. The superstition has it that if rain falls on St. Swithin's Day, July 15th, there will be rain for forty days thereafter. No rain fell in Burlington on that day, but during the next forty days rain fell for most of the time. Precipitation totalled 2.53 inches during the period, .91 for July 1 and 1.62 for August, up to and including August 24th. The legend has its origin in A.D. 962, 100 years after the death of St. Swithin, chaplain to King Egbert. At the time of his death, St. Swithin was buried outside Winchester church. One hundred years later his body was canonized. His body was exhumed and buried in the church. This was to have taken place on July 15th, 962, but rain fell on that day and for forty days following, making impossible the removal of the body. Thus the old superstition was born.

MR. AND MRS. HARROP HONORED

A surprise presentation by the executive of Halton Liberal association was made here, Saturday, at the home of Mr. and Mrs. Edwin Harrop, recently married. Mr. Harrop, president of Halton Liberal association for the past six years, and his wife, were presented with a floor lamp, by Thos. A. Blakelock, M.P.P., on behalf of the association. Friends arrived unexpectedly at his home about 9 p.m. The group consisted of two Liberal executives and their wives, from each of the four townships. Reeve Victor Hall, of Trafalgar, was chairman. Congratulatory speeches were made by Mr. Blakelock and association executives.

Loses Four Fingers In Threshing Mishap

Brampton, Aug. 30.—John Salisbury, a Brampton district farmer, is in Peel Memorial hospital with four fingers missing from his left hand. They were lost when a threshing machine caught in a threshing machine at the farm of William Graham. Dr. W. W. Bartlett and Dr. Colin Heggie had to remove a fourth because it was mangled. Herbert White, a newspaper plant foreman, fractured his left leg above the ankle yesterday, slipping into an open motor pit in which he had been working. Katherine DeMark, ten-year-old daughter of Mr. and Mrs. Frank DeMark, fell off a chair and fractured her left wrist yesterday.

One case of polio myelitis is reported in Weston.

A large proportion of these self-made men should be rebuilt. Some people need to acquire a horrible dread of going into debt. One swindler may not make a sum of money, but in motoring a few of them will sometimes make a somersault. A rolling stone is said to gather no moss and the automobile wheels that are always rolling to other places to buy things don't gather in any better bargains than you can find at home. There appears to be nothing in sight this year to halt schools from opening for the autumn term on Tuesday, September 6th. Last year many did not open until early in October on account of the polio myelitis epidemic.

At the Free Methodist Conference in Brantford last week, with over 100 delegates from all parts of Ontario, it was definitely ruled that no Free Methodist may even work in the tobacco fields or in tobacco factory.

The claim is made that a strong weed-killing solution, used along the shoulders of Trafalgar township roads, has damaged many fine trees on the Eighth line near the Lakeshore highway along side roads.

Thos. Appleyard, of the 7th Line, at Silvercreek has a field of corn to be proud of. He brought a sample stalk into the office this week and it measured 13 1/2 feet, in length. That is really high corn.—Georgetown Herald.

It is said that many second marriages are happier than the first marriage, because mature men and women are more capable of picking out suitable mates than boys and girls are, and age and experience have taught them the art of living with people without friction.

Canadian corn roasts are pleasant and picturesque, but there is nothing pleasant or picturesque about the cutting down of the remaining of live trees in the Toronto suburbs and parks in an attempt to secure car-roads fuel. Some trees are slashed out of pure wantonness, and debris of all sorts is to often left lying about.—Toronto Daily Star.

In making seizure of an automobile on Tuesday evening, Sheriff J. R. Bamford ran into difficulties. The seizure was made on Main Street, at the home of Harry Gordon, and quite an argument and tussle ensued before the car was finally towed to a nearby garage. A police court case is pending in the matter on the obstructing of an officer in the performance of his duties. Mr. Bamford has been under the doctor's care following the incident.—Acton Free Press.

Memorable Church Service

One of the most memorable and historic church services ever held in the district took place in Boston Church, Esqueping, on Sunday, Aug. 27th, being the occasion of the fiftieth anniversary of the ordination and induction of one of the former pastors of this old historic church, Rev. J. W. H. Milne, of Ottawa, who was the first minister inducted in this church after it became a self-sustaining congregation, separated from the Milton congregation. Dr. Milne, although now well advanced in years, still retains much of his former vitality and delivered a very inspiring and impressive address. A very large attendance was present to greet Dr. Milne, some coming from great distances, filling the church to capacity. After the sermon was delivered, Dr. Milne spent a short time recalling to memory those who were present at his ordination in the church during his ministry here and also some events which took place at that time. At the close of the service, after a few well-chosen words by W. L. Hampshire, Dr. Milne was presented by the church session on behalf of the congregation with an enlarged photo of Boston Church, for which he expressed his thanks and appreciation. The audience then moved out to the church lawn where the ladies served lunch, and Dr. Milne was given ample time to meet all those present. Accompanying Dr. Milne were Dr. Haddock formerly of Milton, and Dr. Back of Toronto, who each took part in the service, relieving the present minister, Rev. B. F. Andrew, whose privilege it was to introduce the other gentlemen as well as make other announcements. The large audience left for their respective homes feeling that they had spent a very pleasant and profitable day.

ZIMMERMAN

Mrs. F. Hadley has returned home after having a holiday in Brantford. Miss Patricia and J. Bennett are spending a few days visiting their cousin, Mr. Arnold Bennett, of Port Colborne.

Mr. and Mrs. C. Simpson and son, Burnett, returned to Hamilton after spending the summer at their home here.

Mr. and Mrs. F. Wilkinson and Florence, of Appleby, were Sunday visitors of Mr. and Mrs. E. Patterson.

The many friends of Mrs. R. Patterson will regret to learn that she is suffering from a severe attack of pneumonia.

The regular meeting of the Women's association will be held Wednesday afternoon at the home of Mrs. E. Patterson.

Rev. Mr. Kitching, of Oakville, preached in the United church on Sunday morning last and was the guest of Mr. and Mrs. Maurice Readhead.

Mrs. H. Pickett, Sault Ste. Marie, visited last week with Mr. and Mrs. W. H. Harbottle.

Messrs. Douglas and Harold Harbottle spent the week-end at Normandale summer school.

Rev. and Mrs. G. F. Kelly returned home to Lakeside after spending a few days in this vicinity.

Miss Florence Colling spent a few days last week with Mrs. S. Spicer, Hamilton.

The Women's Missionary society of the United church will meet in the basement of the church on Thursday afternoon of this week.

Mr. and Mrs. Thos. Allison and family, of Nassagaweya, were Sunday visitors with Mr. and Mrs. H. A. Foster.

Rev. and Mrs. W. R. Archer are expected home from their summer home at Havelock this week.

Doped and Robbed Says Lansing Man

Howard Smith, Lansing farmer, claimed he was doped and robbed of \$11 Saturday night by two men in an automobile. Smith said he was enroute to the radio station, CBL, at Hornby, near here, when he was stopped at a general store. After leaving the store, the man said he proceeded down the highway and was picked up by two men in an automobile. Provincial Officer Cookman quoted Smith as saying: "One of the men kept pointing to lights at the radio station. Then everything went black and I woke up later in a ditch at the side of the road. I believe I must have been doped."

It is interesting to note the increasing popularity of harness horse racing across the border. This thrilling sport has never lost its popularity in Ontario, and is being given a new impetus at the Canadian National Exhibition. This year the prize money offered aggregate \$10,000, seven thousand dollars in futurities and three thousand dollars in prizes.

BASEBALL

Oakville, hoping to tie up the series for the Halton County League Championship at the Park here last Saturday, were stopped short, as Milton continued their winning streak in the play-offs to four straight and routed the Lake Shore team 11 to 4. By their win, Milton again captured the Dr. Buck Trophy, emblematic of the County Championship and also gained the right to enter the O. B. A. play-downs for the provincial honor. The tale was told in the second and fourth stanzas when the perennial champions piled up most of their runs on six hits, two walks, one error and two bad errors of judgement. Dr. Galbraith and "Letty" Osborne shared the mound duties for the vanquished, eight of the local were struck out and four of them were allowed to stroll. In the fourth inning Galbraith was given the gate for yapping back to the umpire. Other than the second and fourth frames, Milton was held well in hand. Ten Oakvillites were left stranded at the bases, most of them in scoring positions but the visiting batsmen lacked the punch to convert them into runs. London tolled the full distance on the hill-top for the homesters and five of the visitors swung their way back to the bench and seven free tickets to first base were issued. He kept nine hits perfectly spaced and with a commanding lead to work on, coasted along. Milton deserved their victory, they were superior in every sense of the word. Every player played heads-up baseball with H. Brush being the stand-out. The winners showed plenty of power with the willow, especially with the runners in scoring positions. G. Galbraith and Lyon led the losers at bat with two hits each. L. Wilson led by their best fielder. B. Brush and Lyle with three hits each in five tries, led all the batters. W. Clement was injured past the fifth when he sprained his ankle and had to be carried off the field. Previous to his accident he had a single and triple in three times up. A fast double play, Clement to Toletzka to J. Brush featured the game.

Milton defeated Toronto's Estranders, intermediate champions of Toronto, 7 to 4, in Milton last night before a very moderate crowd for an O. B. A. play-off game.

The winners outdid the losers 15 to 8 with "Buck" Naylor playing a major part in the attack with the stick, collecting a double and two singles in four attempts and driving in a lot of runs and scoring three. Toletzka, J. Brush, K. Clement and Sprout were also conspicuous with a pair apiece.

Up until the sixth it was a close pitcher's duel. However, Manager Fay read the riot act to his squad and they went out in their half of the sixth to help themselves to seven hits, good for four runs, to ruin an otherwise perfect evening for Pyzer, the visiting pitcher.

K. Clement, on the slab for the winners, had the Toronto Errors baffled for most of the way. Jerrers had him in trouble in the early stages of the game. He just allowed one earned run.

Two fast double-plays featured the clever fielding of the visitors. Blacon, with the bases loaded in the sixth, made a sensational tumbling catch out of Wilson's looper to right-field. Jack Hill of the Maple Leaf Hockey Team was an interested spectator at the game.

MARRIED

FEGGANS—HILSON. A pretty wedding was solemnized in Milton on Saturday, August 27th, when Mary Marguerite, the youngest daughter of Mr. James Hilson and the late Mrs. Hilson, of Milton, was united in marriage to Burniston Feggans, eldest son of Mr. Robert Feggans and the late Mrs. Feggans, of Hamilton. Rev. John Riddle, of Knox Presbyterian Church, officiating. The bride, attractively attired in a pale blue sheer gown with blue shoulder length veil and blue sandals, carried a bouquet of Italian roses with Lily of the Valley. The bridesmaid, Miss Anne Feggans, of Hamilton, sister of the groom, wore pink organdie with wide picture hat. The best man was Mr. Jack Clayton of Hamilton. Immediately after the ceremony the happy couple left on a honeymoon trip to Detroit, the bride travelling in a navy triple sheer dress with black accessories. On their return they will reside in Hamilton.
