HOCKEY

Milton Juvs. Win Championship.

Hail the Juvenile Legionnaires! Newly crowned champs.

Milton Juveniles, sponsored by the Milton region, made history last Monday night and did so to the King's taste, when, in a grand stand finish, before a fair crowd of fans, they scored three goals in overtime to defeat the Orangeville Legionnaires.

Their victory is all the more creditable when you take into consideration it is the first time for most of the youngsters to take part in organized hockey and previous to the game the boys had a three weeks' lay-off waiting for the rest of the group to finish their schedule and set their differences.

The contest was a wide open, free-scoring affair, with the Legionnaires never being behind in the scrappy battle. The period prior to and with neither sides scoring. In the second period, the play was fast and furious, with the homesters leading 2 to 0. Georgetown came back strong in the third stanza, but it was the King's who scored the winning goal.

In the overtime coach Don Toletzka and his Legionnaires hung up the "No Surrender" sign and then went out to score 3 goals to take the verdict 7 to 5 to terminate a thrilling struggle and upset the expert call for Georgetown to win the championship.
