

**Stole \$135 Harness
And Sold It For \$3**

Sixty days hard labor in the county jail was given John Decaire, 30-year-old Indian, of Waterdown, convicted on a charge of stealing harness, in police court. Magistrate W. F. Woodliffe dismissed similar charges against two cousins of Decaire, who also pleaded guilty. They are Elwood Anderson and Vernon John.

"I needed some money and although I knew the harness was not mine, I took it and sold it to a man for \$3," wanted the money to buy groceries," was the testimony of Decaire. "I told the other two accused that the harness was mine, because Anderson told me his father needed harness and I wanted to sell it to him. According to evidence the harness was valued at \$135.

Dated, Milton, March 22, 1939.

ZIMMERMAN

Mr. and Mrs. L. Shepherd and family visited on Sunday with Mr. and Mrs. J. C. Rogers.

The Community League will meet on Wednesday evening, with the Gold group, under the direction of Mr. S. Bennett, in charge of the program.

McARTHUR-LEECE WEDDING

The home of Rev. J. A. Leece, Huttonville, was the setting for a pretty wedding last Thursday, when his niece, Miss Lillian Leece, daughter of the late Mr. and Mrs. J. H. Leece, of King, was married to Mr. Vernon Earl McArthur, son of Mrs. Charles Readhead and the late Amos E. McArthur, Milton. Mr. Leece conducted the ceremony, and the wedding music was played by Miss Marian Milroy.

The bride wore a long gown of bluish pink chiffon, with shoulder length veil and corsage of Briarcliff roses. Mrs. Jack Cliff, matron of honor, was gowned in orchid chiffon with matching corsage of violets and corsage of yellow roses. Mr. George Coulson, cousin of the bridegroom, was groomsmen. At the reception afterwards, Mrs. Leece, aunt of the bride, received in a gown of guardsman blue lace with a corsage of pink sweet peas; and Mrs. Readhead wore midnight blue chiffon with similar corsage. On their return from a motor trip, Mr. and Mrs. McArthur will live in Milton West. For travelling the bride wore a frock of old gold shade, matching coat and brown accessories.

GARAGEMEN'S BANQUET

Only first-class garages employing certified mechanics should be allowed to hold government licenses. H. W. Adams, Toronto, president of the Ontario Garage Operators' Association, asserted here last Monday night. He addressed the Halton and Westworth operators and their wives at the annual banquet of Halton County Garage Operators' Association. He declared that many government licensed garages lacking certified mechanics are experimenting on the cars of Ontario motorists. Motorists are not getting a square deal. The association is urging the government to co-operate in issuing licenses to those garages employing class "A" mechanics, he declared. Student garage mechanics will soon have a textbook to be compiled by people in the garage trade, the speaker revealed. This will be issued through the "apprenticeship board" he said. "I can't see how you can make a mechanic unless you put him through an apprenticeship. A man has to get down to the practical knowledge before he knows what his profession is all about." T. A. Blakelock, M.P.P., told the meeting.

OBITUARY

MRS. D. ORONIN.

Funeral services took place on Saturday, March 18th, at Holy Rosary Church here, for Mrs. Mary Cronin, who died suddenly at her Main St. home on Thursday. She had resided in Milton for almost twenty years, and was a member of Holy Rosary Church. Her husband, the late Daniel Cronin, predeceased her six years ago. Surviving are two daughters, Misses Nellie and Gladys, and two sons, Allan and Joseph, all of Milton. Rev. Father Ryan, of Milton conducted the services.

Whiffletrees, neckyokes, chains, forks, shovels, and all other articles.

TERMS CASH. No Reserve.

Nothing to be removed until satisfactory settlement has been made.

A. R. LINN, Auctioneer.

**The Proposed Increase
of 33 1/3% in
GASOLINE TAXATION**

IT IS proposed by the Government of the Province of Ontario to increase the tax on gasoline from six cents to eight cents per gallon. This increase, if made effective, means that the average motorist, driving 10,000 miles in a year and getting 18 miles to the gallon out of his car will pay over \$10 additional to the gasoline tax of \$33.33 which he is now paying. Figure it out for yourself. From six cents to eight cents a gallon means this:

	Taxes Now (excluding license)	Proposed Taxes After Apr. 1, 1939	Proposed Increase 33 1/3%	Gas Tax per Week per Car
10,000 miles* per year.....	\$33.33	\$44.44	\$11.11	\$.85
15,000 miles* per year.....	49.98	66.66	16.66	1.28
20,000 miles* per year.....	66.66	88.88	22.22	1.70

* (18 miles per gallon)

The average car owner is not a rich man. He does not drive a new car. Out of 582,212 passenger car registrations in Ontario in 1938 but 48,561 were new cars. Yet the automobile owner is the most heavily taxed man in the community. In 1936 he was already contributing 30% of the provincial revenue. Here are the figures for 1936 and 1937, the latest official figures from the Government.

	1936	1937	1938
The Provincial Revenue was.....	\$90,321,896	\$99,838,595	
The Provincial Taxation on gasoline....	\$16,049,857	\$17,644,164	*\$18,318,171

* This figure is based upon the percentage increase in gasoline consumption, which percentage figure was obtained from government sources.
† Coupled with license fees in 1936, this TAX represents 30% of the Provincial Revenue.

Since the motorist already bears 30% of the taxation burden of the Province, it is manifestly unfair to increase the burden.

Provincial Revenue from the taxation of Motor Vehicles, Ontario, 1936:		
Paid by the public in Gasoline Taxation.....	\$16,049,857	
Paid by the public in Licenses, etc.....	11,144,956	
Spent by the Government in Highway Construction and Maintenance:		\$27,194,813
(All Provincial Expenditures).....	\$ 9,419,509	
Interest and Sinking Fund.....	13,630,543	
		\$23,050,052
Diverted.....		\$ 4,144,761

In 1936 money collected for highway maintenance was being diverted from this purpose to the extent of \$4,000,000.

There is not available from official Government sources Expenditure on Roads, Interest and Sinking Fund charges, etc. subsequent to 1936.

It is now proposed to secure an additional \$6,000,000 from the motorists of the Province through an increase in the gasoline tax from six to eight cents per gallon. While the motorist, as a citizen, has been willing to assist the Government in problems of administration, a limit must be set to the burden imposed upon him.

If you, as a car owner, are content to assume the added burden represented by a 2-cent increase in the gasoline tax, there is nothing you need do. Your silence will be interpreted as consent.

If you are not content, and wish to place yourself on record to that effect in the only quarter where your objection will carry weight, call at your regular service station, whether it be a B-A station or any other, and ask for a card which has been distributed for your convenience.

Just sign it, fill in your address, and leave it with the station attendant.
