The roll call was responded to by the use of word "comfort." A temperance paper was read by Estelle's Ford, after which Lila Featherstone led in prayer. In a Halton county league game at Oakville last night, Milton lost a close contest, 6 to 5. The losers out hit the winners eight to five. Gibb, pitching for Oakville, managed to last out Milton's last inning rally to leave them one short. One of the hits off his deliveries was a home run by Tolozka with two men on bases. Oakville scored all their runs in the third frame on three hits and two errors. The side should have been retired without a run being scored. The losers were also guilty of some bad base running.

J. Brush was the leading hitter with a double and two singles in three trips to the plate. Patterson did the bulk of the hitting and proved very effective while his battery mate, Houston, played great ball back of the plate.

Many people have expressed the fear that Ontario mining boom would be short-lived, that after a little while all the gold in the ground would be dug out and only ghost towns like Cobalt would be the result. Apparently there is not much in these forebodings. The recent report from Porcupine, the oldest camp of the lot, of record activity this spring. Old mines are locating more ore at new depths, and new mines are being discovered.

BASEBALL

Despite the chill in the air and a threat of rain a good crowd gathered in the Acton park last Saturday, when Milton and Acton clashed in an important Halton County league fixture. Previous indications that the league race would be a wide open one gained strength as a result of Saturday's game. Having seen all the teams in action there seems little doubt that the team to beat will be the winners.

The revamped Actonions soundly whopped Milton 10 to 3. The winners had everything; they functioned smoothly, spotting the league champions three runs in the early innings, then came back strongly, playing snappy and heady ball, to score four runs in the sixth and five in the seventh. Two lucky freak hits helped the winners' cause considerably and it was also apparent that the losers were not quite up to their usual par. That, however, does not detract from Acton's victory.

Redford, one of Acton's "six best" pitchers in the league started the game, but was not around at the finish. Ryder replaced him in the third. Milton was able to collect but three hits off the twisting of the youthful Ryder. The losers had no difficulty in hitting Ryder's slants, but the test they could do was to pop to the infield and knock a few lazy flies to the outfield. In fact, Ryder in two games pitched a seven inning game against the locals this season, just a losing four hits, striking out ten, walked three, and Milton has still to get a run off his deliveries. Waterhouse, with four singles and Woods and Lamb with three hits each led the hitters. R. Brush at short made several smart flinging plays.

Kings started on the mound for Milton and hurled great ball until he ran into a spot of trouble in the sixth, when Woods got credit for a two-base hit that looked foul all the way. Cleo Ken's day, and Patterson was called in. J. Brush with a double and a single, was high hitter for the losers. They made a great catch of footie's long hit. In the eighth, Milton had two men left on bases and Acton hit.

Try Halton Cases in Milton

All criminal cases in magistrate's court in Halton will henceforth be tried in the county town, Milton, according to Crown Attorney W. I. Dick. Word of the new ruling was recently received from the attorney-general's department and is now in effect. It is felt there are better accommodations for criminal cases in the court house here than at other Halton points, Mr. Dick said.

A month in jail was the penalty imposed on an American student who wrote a poem about Hitler. Apparently in Germany poets and Jews are valued alike.
