 PHONE 49

Listen to "The Shadow"—every Wed., CFRB, 9-9:30 p.m. Every Sat., CBO, 6:30-7 p.m.

"Not tomorrow or the next day... but RIGHT NOW!"

Tom Watson emphasizes the fact that he doesn't want delay, but intends to get the answer right away, by Long Distance. So a call is put through and a deal, which might have hung fire for days, is closed promptly. As Tom Watson puts it: "With Long Distance there's no room for misunderstanding. It gets results. And the cost? An insignificant part of our operating budget, although we do use it so frequently!"

Reductions in telephone rates—local and long distance—in 1935, '36 and '37 have effected savings to telephone users in Ontario and Quebec of nearly one million dollars yearly.

HERE AND THERE

The secret of happiness is making the most of what you are with what you've got.

Ireland is now having trouble of its own. The Emerald Isle couldn't stand the quietness.

Many people who have half an hour to spare usually spend it with someone who hasn't.

It pays to advertise—but advertise where it pays. That is in THE CANADIAN CHAMPION.

American society will select the world's champion liar, says a news item. Has Dr. Goebbels a rival?

Push, brother, push, is the by-word these days. Brother motorists are pushing each other habitually these days.

Our camouflage is working. Detroit paper shows a picture of Canadian soldiers "embarking on a liner at Ottawa."

The girls now-a-days seem to be reading everything about love and marriage, except on how to cook and run a home.

You often hear that people should study the dictionary more. If they learn any more words, some people will never stop talking.

It is going to be pretty difficult next summer to get away from the war situation long enough to concentrate on a general election.

The problem in this war appears to be how to help England and France administer a licking to Hitler while everybody remains neutral.

C. R. VanDusen, Conservative and Editor of the Tara Leader, defeated M. Young, Liberal, Tara and the Reeveship by a majority of 14 votes.

A French diplomat speculates on the reason for Hitler's retreat up on a mountain. Perhaps Der Fuehrer feels that it's the closest he will ever get to heaven.

New Year's was a record for lack of accidents—either nobody indulged or else indulgers did not drive. It is commendable that our community has no accidents to report.

Russia has discovered that there is a fatal fallacy involved in dropping bombs by parachutes. The Finns have taken it into their heads to do the dropping with machine-gun fire.

There are a few Turks at least who will look back on the earthquake with something like affection. They are the convicts whose heroism in the midst of the disaster won them their freedom.

Sale of postcards showing Hitler and Mussolini together, have been banned in Germany. They are not the only two persons who ever lived to regret having had their pictures taken together.

In Austria recently a number were sent to internment camps for having radios in their possession, while others were shot. In Canada the only punishment for having a radio is a fine of \$3 a year—and the programs.

The "fightingless" war in France is hard enough to define, but this thing in Finland is worse. Neither side has actually declared war though thousands of lives have been lost. Russia is an ally of Germany, but the latter, along with Britain, is reported to be selling war equipment to the Finns. Many of the Germans hope the Finns will win. Twenty years ago Germans and Finns fought side by side against the Russian Reds.

For those who like thrills the Shadow from WOR each Sunday at 5:30 will still top the charts for the year on the air. The Shadow is still the best show presenting mystery a la mode.

Victor Kolar, co-director of the Detroit Symphony returns as conductor of the Ford hour next Sunday night, after a long absence from the podium of this program. Gladys Swarthout, the personable soloist, will also be back for her regular appearance of the season. It comes up each Sunday evening at nine on WJR.

An actor who we think is one of the most able in the business will start a series to be heard from WJZ-NBC Blue network each Tuesday night at nine, when Walter Huston takes the lead in the luck of the Pilgrims. This new series brings to radio listeners some of the finest actors on the continent, and with Mr. Huston topping the cast is worth hearing.

While we're on the subject of music, here's a tip. An English chap, Charlie Kunz, presents one of the outstanding piano programs each day at 12:45 from CKOC. With a style all his own and a keyboard touch that is a distinct personality, Charlie Kunz and his grand piano is one of the better features on radio.

Others for the music hear list—Xavier Cugat from the WNYC Monday at midnight—Kay Kyser's musical college from WOR Thursday nights at eight—House of Dreams from CKOC Monday, Wednesday and Friday at ten in the morning—Saturday night Serenade from WABC—CBS Saturdays at 9:45.

MUST HAVE DOUBLE HITCH
 Magistrate Walker, of Walkerton, last Friday imparted some information that should be heeded by motorists, particularly those who are in the habit of attaching two-wheeled trailers to their motor cars. The great majority of these parties attach the trailers with one bolt, whereas the Highway Traffic Act very plainly and definitely provides that there shall be two separate means. If one becomes detached the other will prevent the trailer from running wild on the road. The Magistrate gave an illustration of what happened to him recently when he was returning from Warrion. He met a car with a trailer attached and as he was giving the other man half the road the trailer broke loose from the car and by a fortunate chance it turned in the opposite direction from the Magistrate's car, and thus luckily prevented what might have happened to be a very serious accident. Traffic officers are going to see that all motorists live up to the requirements of the traffic Act in this regard, so it will be well if all heed this warning.

It is only the man who knows much who dares to say "I don't know."

The best preparation for the future is doing things well in the living present.

Germany is the world's greatest propagandist. It is an old game. The Nazis have learned it well.

"It's not the school I'm complaining about," said the small boy who had been called to interview the headmaster, "it's the principal of the thing."

Judicial Baby Talk
 When Judge N. J. Bonelli of Chicago says "Him gets 90 days," don't take the jurist to task, his grammar is perfectly O. K. The "Him" in this case happens to be Yee Yuen Him, a dishwasher, accused of buying liquor and charging it to the restaurant to annoy the cook. The judge said he (Him to him) would have to repeat 90 days in jail, and then Him wished Him weren't he. Sounds a wee bit like baby talk!

HEATING HINTS

by James Stewart

MANY home owners who have steam or hot water heating systems complain that they cannot get their radiators completely hot. In the case of steam radiators this is often caused by air. Air, of course, must be entirely eliminated from the radiator before it can be filled with steam. Automatic air valves usually take care of this. If you have automatic valves and your radiators still are air-bound—try unscrewing the little plug at the top of the valve. When the cold air has all been blown out tighten up the plug as to its normal position.

If this operation does not stop the trouble, or if your steam radiators have a tendency to fill with water, I'd advise you to have an expert call and check up on the valves.

Hot water radiators may also become air-bound. This can be corrected by occasionally opening the air valve with a valve key and leaving it open until water starts to flow from it. It's good plan to have a cup or pan ready to catch the water when you open the valve.

RADIO SPOTLIGHT

DIALING WITH DAVE...

In a fast changing world, two factors have brought the war today to the front door-step of civilians, with all the horrors, hardships and sufferings that are modern war. The two factors are the aeroplane, bringing death and destruction, and the radio, bringing events as they happen, and enlightening views of war that give us all a better understanding of what happens, when modern armies meet on the battlefield today. The radio has brought detailed accounts of the outstanding events of the war on the western front, the war in northern Europe, and the war in China, as soon as they happen. This is something the world has never had before. Maybe, radio will be a factor in bringing civilization to a better understanding that will ban wars—just because it has brought war home to the civilian's fireside.

We listen to radio news, particularly the war news, and our choice of radio news is that presented from CKOC at 6:15 and eight each morning, 12:15 noon and 6:15 and 10:45 at night. Particularly interesting is the headline tour of the world presented by Howard Caine, from 11:20 on the dial at 12:15 and again at 10:45 at night. If you want to keep in touch with the times, tune in Howard at these times and be up to the minute.

 CIGARETTES
 "The perfect form in which tobacco can be smoked"

County Has Surplus.

(Crowded out last week)

An approximate surplus of \$3500 for 1939 is revealed in an annual Halton county financial statement. The county debture debt is seen to have dropped \$50,000 during the past year. The debture debt has decreased to \$340,400 where it stood at \$390,000 a year ago. County officials estimate that Halton will be free of debt by 1951, if it is able to avoid adding further debtures in the next few years.

Cost of administration of justice for 1939 was approximately \$9000, a \$1500 decrease from 1938, the statement showed. Children's Aid Society and child welfare costs total \$8500 due to an increase in the number of wards of the Children's Aid Society in boarding homes.

Hospital accounts were lower in 1939, because the province is now bearing the entire cost of indigent patients in tubercular sanatoria, the report points out. Ninety acres of land in Nassagaweya to form the beginning of a county forest, was purchased last year by Halton at a cost of \$741.

Improvement and maintenance of the county road system was the largest single expenditure of county council. In 1939, five miles of bituminous pavement was laid on a stretch from Milton to Hornby at a cost of \$4950 per mile. A start was made on the widening of the 7th line, Trafalgar township, by replacing gravel shoulders with four feet of pavement for a distance of one and a quarter miles north of Trafalgar village.

Approximately 50 miles of the county road system were treated with chemical weed killer last year. About 1000 cubic yards of salt-treated sand have been placed around the road system for use this winter in ice control. Purchase last fall of 3000 feet of snow fence brings Halton's total snow fence footage to 50,000.

John Lee was honored at the annual meeting of the Palermo Sunday school on Wednesday evening last for his outstanding service as a teacher for 50 years. Mr. Lee is retiring from active teaching in the Sunday school, but will continue as an assistant teacher. The election of officers for the ensuing year resulted as follows: Superintendent, H. Inglehart; assistant superintendents, E. Darlington and D. Wood; secretary, J. Breckon; assistant, Mima Hignett; treasurer, Myrtle Pell; cradle roll superintendent, Doris Jarvis; temperance, J. Lee; missionary, E. Darlington; pianist, Norman Wood; assistant, Helen Cook; representative to official board, J. Breckon.

Halton Rural Mail Carriers

(Burlington Gazette)

The monthly meeting of the Halton Rural Mail Carriers association was held at the home of Geo. Bridle on Monday night. Mr. Parker, president of the Halton branch, was in the chair. Mr. Bolton, president of the Dominion R.M.C.A., and Mr. Carter, adjustment officer, who are on their way to Ottawa to interview Mr. Powers, Postmaster General, were present and addressed the meeting. Councillor Mary S. Pettit and Mr. Newton, editor of "The Rural Mail Courier," were also present. At the close of the meeting lunch was served.

WATER SHORTAGE IN THE DISTRICT

Low temperatures over the weekend increased the worries of district farmers over the serious water shortage. Snowdrifts and ice dams are completely dry, and most creeks, which contained little water during the fall, are frozen to the bottom. There is a pressing need for a heavy snowfall, which would allow moisture to seep into the ground and replenish wells. Over a large portion of Nelson township farmers almost without exception are hauling water for live stock. Most creeks are frozen right down.

Sent to Reformatory

Foster Isaacs, an Indian, who pleaded guilty to three charges of breaking and entering and theft, was sentenced to one year definite in reformatory and given indeterminate terms of one year each on the two additional charges by Magistrate W. F. Woodruff in court at Burlington, Friday.

Former Kilbride Resident Dead

John Greenlee, a former resident of Kilbride, died at his home in Hamilton on Friday last. The deceased was born at Kilbride, but had resided in Hamilton for the past 39 years, having been employed as a woodworker in the International Harvester for 20 years, retiring a year ago on account of ill-health. Surviving besides his widow is one sister, Mrs. Jane Loree of California. The funeral took place to Waterdown Union cemetery on Monday afternoon.

AUTO LICENSES OF 1940 EXPIRE DECEMBER 31st

Although Ontario 1940 auto license plates need not be purchased until March 31st, they will expire December 31st of the present year, as the Government is reverting back to the calendar year for the issuing of plates. March 31st is the end of the Government year. The new ruling means that motorists waiting until the end of March before purchasing plates will have the use of them for only nine months. No reason was given for the change, but an Order-in-Council provides for alteration of the license period, and the pending of motorists who delay purchasing new plates.

OMAGH

(Crowded out last week)

The Omagh Presbyterian Young People's meeting was held Tuesday evening at the home of Mr. and Mrs. Frank Peacock. Harold Douglas, the Missionary Convener, took charge of the meeting. Mr. Moore gave an interesting talk about a missionary in India. Bob McHugh and Elmer Douglas told us of a missionary in China. Mrs. McFadden gave an enjoyable reading. Wilda Prosser and Bill Moore played guitars. Mrs. McFadden led a bible contest. After the meeting the hostess served several delicious pies. The next meeting will be held at the home of Mrs. James Peacock.

Toronto has done a good job by cleaning out the Communists from its civic bodies.

People speak of the "high lights" of the news. The news we get nowadays seems more like high darknesses.

RETURN TO Mother IN GOOD CONDITION

Every little child that's admitted to The Hospital for Sick Children... there were more than 9,000 last year... wears an imaginary tag that reads "Return to Mother in Good Condition".

For more than sixty years, this Hospital has been receiving the sick and crippled children of Ontario, treating them, healing them, and sending them home to grow up and become healthy, USEFUL citizens.

Now, more than ever before, children have a greater chance to be sent home in "Good Condition".

Advances in medical science have increased greatly the scope and services of this

Hospital. New treatments have been discovered to improve... even cure... the crippled children once doomed to a life of misery. Great strides have been taken to reduce the horrible effects of Poliomyelitis. New cures have been discovered for Pneumonia and many other diseases.

All these wonderful developments, plus the increase in emergency accident cases, add to the operating expenses of the Hospital.

But nothing new has yet been developed that will add, in the same proportion, something to the OPERATING REVENUE, except, of course, the generous support of kindly Ontario citizens who make many sacrifices to send a donation to help The Hospital for Sick Children.

Please appoint yourself a benefactor of sick and crippled children... send a generous gift to the Hospital TODAY. Your financial assistance is urgently needed.

THE HOSPITAL FOR SICK CHILDREN
 67 COLLEGE STREET, TORONTO
