The Salvation Army

The Red Shield War and Home Service Campaign

A Nation-Wide Campaign to Raise \$1,000,000.00

In Great Britain over 100 war work centres are now operating in air ports, camps, railroad and troop concentration centres, all directed by the Salvation Army workers.

In France, Salvation Army men and lassies are again at the front with the troops of the British Expeditionary Forces. They are setting up twenty behind-the-lines canteens for the troops. Three hundred officers-men and women-are appointed to this work.

There is no doubt of the contributions towards winning the war that the Salvation Army is making. Whatever help our soldiers, helps our British Empire and helps each of us individually.

Milton and district has been asked to take part in this Dominion-wide Campaign to raise \$1,000,000.00. Canvassers have been appointed and the campaign will take place June 1st to 8th.

Give Generously
