with all these bags, etc., etc., etc., at the completion of the church it- player. New Non-Stop Highway Another dream highway is in the With the Harrisburg-Pittsburgh express highway ready for traffic, the Pacific Northwest is contemplating a super highway for that part of the country. This supermodern arterial along the Wilamette river, out of Portland, Ore., will include a braided intersection of roads passing over and under each other, a six-lane boulevard with grade crossings and traffic stops eliminated, a parallel service road and other improvements. Tourist traffic confusion and delay on U.S. Highways 99W and 99E entering Portland, will be ironed out with this \$4,000,000 highway.
