LORNE SCOTS REGIMENT TO BE SPLIT UP

Mobilization of the Lorne Scots (Halton, Peel and Dufferin Regiment) has been authorized, and organization of this unit's officers and other personnel into a number of smaller, independent units for a new and special role is under way.

For the present, details of the job to be undertaken by this battalion, after it has been split up into various ancillary detachments, have not been laid down, or at least cannot be published.

It is hinted, however, that the several units will be specially armed, specially trained combat troops, geared to do a special job of vast importance.

The need for their organization has become apparent in recent fighting in North Africa and in the Balkans, it was intimated.

Col. R. V. Conover, O.C. of the Lorne Scots, with headquarters at Brampton, has been given the job of finding the personnel. He has been busy since the weekend order came through, arranging for medical boarding of the officers and men under his command who will be given first chance to fill the vacancies in the special active formations.

Several officers of the Lorne Scots, who have been on the instructional staffs of training centres have been called back to Brampton, it was understood.

General recruiting for the units has not opened yet, Col. Conover said, but it probably will soon.

The Lorne Scots, one of the oldest units of the militia, already have sent a number of officers, n.c.o.'s and men overseas, including a unit that became an infantry base depot under Lieut. Col. Louise Keene.

The new units, it was understood, would be distributed to all existing divisions.

MORE RECRUITS WANTED FOR LORNE SCOTS ACTIVE SERVICE

(Brampton Conservator)

Lieut. Col. R. V. Conover, V.D., Commanding Officer of the Lorne Scots (P. D. and H. Regt.) is at present making arrangements for mobilization for active service.

The Brampton armories have been a hive of activity this week as all executive details must be completed prior to the time recruiting is begun.

It is expected that a medical board of three officers will begin the examination of men enlisting for active service with the unit early next week. Peel Memorial Hospital with its new X-ray equipment will be utilized to handle the chest x-rays.

An aggressive recruiting campaign has been undertaken to bring the unit up to strength. Men of military age, who wish to enlist for active service at once, should volunteer immediately at their nearest armories. Men will be accepted for duty at the following centres: Brampton, Acton, Milton, Georgetown, Shelburne, Oakville and Orangeville. There will be waiting lists established for the men who pass medical inspection, they will immediately be taken on the strength for active duty.

HOW IS YOUR CREDIT?

"These are critical days," states the Tillsonburg News. "No one can foresee what lies ahead, but it is safe enough to predict that each of us will need to be in as good financial standing as possible. This does not mean that we should cease buying and start to accumulate a hoard of money; rather we should purchase only that which we can pay for in cash or which we are definitely sure that we can pay for on the installment plan. Everybody should make a real effort to clean up all present indebtedness, or at least have a talk with creditors and let them know when they can expect to receive something on account or the full payment. Almost every creditor, unless he is of the miser type, will cooperate with a debtor who admits his indebtedness and seriously arranges payment. Be known as a person of good credit; pay your obligations as they come along and do not contract more indebtedness than you can meet."

Warning to Farmers

Farmers are urged to be wary of certain unscrupulous persons who are offering miracle seed for sale at this time of year. The general practice is to take ordinary seed, apply an extravagant name such as Bonanza, Beautiful or Miracle, and offer it for sale at an exorbitant price. It may be represented as coming from a mysterious source with only a limited quantity available. Strange to say, these salesmen find farmers who accept the story of big yields and pay good money for ordinary seed, only to find later that they have been duped.—Stirling News-Argus.

Dangerous Play Thing

T. L. Church, M.P., wants air rifle abolished, citing as proof of their danger a Toronto woman who lost an eye when a shot from one of these weapons went through a street-car window. Mr. Church is perfectly right. The air-gun is not a toy but a deadly weapon, and especially dangerous because it is carried by a thoughtless boy.

Mails Lost Through Enemy Action

Canadian citizens expecting mail from soldiers or friends in England, mailed during the period 14th to 23rd March last are advised that there may be considerable delay or perhaps loss, according to a statement released by Postmaster General William P. Mullock.

Word has just been received that a steamer carrying mail overseas, the ship was supposed to have left the other side during the last week of March, and was due in Canada around the first week of April. The steamer was carrying 4,261 bags of mail, including 4,855 bags of letters and 403 bags of parcels.

The Canadian Post Office Department is at all times anxious to provide a safe and expeditious mail service between citizens of Canada and military forces and friends in Great Britain, but the above is an example of one of the unavoidable situations which from time to time confront the

Police Court

Chief E. Harrop arrested Joseph Holmes and Wm. Edward Core, of Brampton, on Monday on charges of being intoxicated in a public place. They spent the night in the cells and on Wednesday appeared in Police Court here and were assessed \$10 and costs each or 10 days in jail.—Acton Free Press.

HORNBY

Miss Vera Boyd, of Georgetown, is visiting her sister, Mrs. Floyd Downes, and recuperating after a recent illness. Mr. Learmonth, returned on Monday last to his son Stanley's home from General Hospital, Hamilton, where he had been undergoing treatment. We are glad to report his condition is much improved.

The St. Stephen's Church young people entertained the older members of the congregation in the Orange Hall last Friday evening.

The auction sale of stock and implements of the estate of the late Mrs. McNeil, which was held on April 18th, was largely attended and highly successful. The total receipts were around \$5000, we are informed.

The Horoby Women's Institute served hot crosses throughout the afternoon, the proceeds being for war work.

Another Horoby property has changed hands we are told. Fred Robertson has purchased from J. Lindsay the home on the north side of Horoby garage, with two acres of land adjoining. This will be a convenient location for Fred. It is reported the remaining forty-three acres has also been sold.

St. George's Day was observed in Hornby public school on Wednesday, April 23rd. Miss Jardine and her pupils presented a splendid program and Rev. O. Totton gave a short address on the spirit of St. George. There was a good attendance.

The farmers are busy getting the seed in the ground, and the roads are settling down after their unusual upheaval, which has been the worst in years.

LOWVILLE

The W. M. S. of the United Church will hold their anniversary service on Sunday morning next, April 27th. The pastor, Rev. E. G. Riddolls, will preach.

A euchre and dance in aid of the Red Cross was held in Limestone School on Thursday evening. Prizes were won by Mrs. Frank Hadley, Miss Lois Agnes, Messrs. Maurice Headhead and Roy Elliott. Mrs. Geo. Dice was presented with a silver watch in recognition of her services as leader of the local group.

Fire of unknown origin totally destroyed a barn on the fourth line, Trafalgar, Mr. Thomas Millar, of this community, on Friday evening last.

Misses Irene Bradley and Florence Samsner, nurses-in-training at Hamilton General Hospital, and formerly of Gaven, Sask., visited on Sunday with Rev. and Mrs. E. G. Riddolls.

Mr. and Mrs. Gray, of Hamilton, and Miss Ruby Coulson, of Hamilton hospital, spent Sunday with Mr. and Mrs. Burness Coulson.

When Spring Doesn't Come

(Acton Free Press)

The sudden drop from winter to summer weather has played havoc in many things for which this section of Ontario was not prepared. Seldom have the roads been in worse condition than this spring. Stone roads and paved sections have suffered alike. Peculiarly the worst spots are on the hills and the cause, it is stated, is the fact that the sudden and unusual heat brought the frost out too quickly leaving sections where the bottom just seemed to drop away.

Streets in Acton and other towns that ordinary gave little trouble have had to be closed. The same applies to thoroughfares which never before gave any serious trouble. Just now that terrible highway between Acton and Milton is not much worse—and not a great deal better—than any of the other gravel roads. The result is that travel has been confined to the paved highways as much as possible. The next few weeks will be busy ones for road maintenance machinery and crews.

Did You Know This?

Did you know that your registration card had to be turned in to the government after you pass on from this world? That is one of the duties of the undertaker. We believe this is not generally known and friends might destroy the Registration Card, thinking it was of no further use. However, one is not officially dead until the registration card is turned in and this prevents it being used by someone else not registered.

Worth knowing

A reader reports a curious impression among some people that a war savings certificate cannot be transferred or cashed in the event of the death of the original holder. Clause 6 of the list of conditions printed right on the face of each certificate, reads as follows: Upon the death of the registered holder of this certificate his legal representatives or heirs should notify the Bank of Canada, Ottawa, whereupon they will be informed of the procedure to be followed in order to have the certificate redeemed or to continue to hold it."

NO ORDINARY CAT, THIS!

Peter Copeman of this place has a cat he "wouldn't trade for a farm."

This week the cat demonstrated its ability in an unusual way. It meowed at the door and Mr. Copeman went to let it in the house but the animal would not enter and tried to lead him away from the house. Finally Mr. Copeman followed the animal and it led him to a garbage pile nearby where he discovered a neighborhood cat with its head stuck in a salmon can. Mr. Copeman released the cat from its awkward predicament and the owner cat rubbed his leg and meowed. It thinks as only cats can.—Dundalk Herald.

Scotch Block Women's Institute

The eighth annual meeting of the Scotch Block Women's Institute was held at the home of Mrs. Albert Reddie on Thursday, April 10th. Mrs. S. Other officers chosen were: Mrs. George Dice—first vice-president; Mrs. J. E. Whitelock, second vice-president; Mrs. Arthur Colling, treasurer; Mrs. M. W. Clements, reporter; district director, Mrs. Charles McDowell; branch directors, Mrs. Percy Lamb, Mrs. A. Coulter and Mrs. E. Gowland; pianists, Mrs. F. Agnes and Mrs. M. A. Campbell.

This is the year the public may get the raspberry—and like it. Ice cream manufacturers expect raspberry to be the favorite flavor from now on.

Lack of funds in the treasury and no executive timber are two of the main reasons advanced for the failure to have a lacrosse team in Burlington this year.

FRANK-WILSON WEDDING.

At a quiet ceremony recently, Mary Charlotte Wilson, second daughter of Mr. and Mrs. John M. Wilson, of Campbellville, was united in marriage with Mr. Christian Frank, of Georgetown, eldest son of Mr. and Mrs. Joseph Frank, of Nassagaweya.

They say the world's first mirror was a quiet pool of water. So when Eve was seen bending over such a pool, it probably wasn't for the purpose of washing her face or drinking the water.

OMAGH WOMEN'S INSTITUTE

The regular monthly meeting of the Omagh W. I. was held recently at the home of Mrs. George Brownridge. There were 22 members and 9 visitors present. This meeting took the form of a "Grandmothers' Meeting," and several ladies were in old costumes and they told the history of their costumes. Omagh ladies have given 14 quilts to the Red Cross. Mrs. McCaffrey gave an excellent report of the District Directors' meeting. A committee comprising Mrs. Dolby, Mrs. Colbeck and Mrs. E. Downs was elected for the nomination of officers for our annual meeting on May 6. The roll call was answered by "A Picture of Childhood" or "An Antique and its History." Mrs. D. E. Ford gave two interesting readings on "Mother and Pioneer Days." Mrs. Brownridge and Mrs. McDuffee conducted a novel musical contest. Mrs. Brownridge gave two questionnaires on "Things our Grandmothers Had" and "Things our Grandmothers Missed." Mrs. Turner spoke briefly on her memories. Our hostess, assisted by Mrs. A. Turner and Mrs. Tasker, served a dainty lunch and a social half-hour was enjoyed. The next meeting will be held at the home of Mrs. J. McDougall, Boyle, and all members are asked to be present for the annual meeting and election of officers.

The Omagh Presbyterian W. A. and W.M.S. held their April meeting at the home of Mrs. Housefield, Court Street, Milton, with a good attendance. The W.A. decided to finance the Spring cleaning of the Church. A small gift was presented to the Church. A. Ockerman, who for the past few years has been a valued worker in the W.A. and the W.M.S. Mr. and Mrs. Ockerman have moved to Toronto. Reports concerning plans for the sectional W.M.S. meeting to be held in Boston Church on May 28 were given by Mrs. Robert Marshall. The program committee consisted of Mrs. A. A. Galbraith and Mrs. Jeffcott. Several Easter readings were given. Mrs. Robert Brownridge read two chapters from Rev. Wm. Allan's book. At the close of the program, Mrs. Housefield served afternoon tea. The May meeting will be held at the home of Mrs. Homer McCann.

Music is the harmonious voice of creation; an echo of the invisible world; one note of the divine concord which the entire universe is destined one day to sound.—Mazini.
