SHORTAGE OF FARM HELP.—It is the intention of the Government of Ontario to proceed this year with a program of placing teen-age school students on farms during the summer vacation and in certain instances, earlier. This step has been taken only after careful consideration of all the factors involved and as a direct result of the alarming shortage of farm labor by reason of increased industrial activity and enlistments. Unusual Birth Announcement
Birth notices or announcements usually are of standard phrasing in most newspapers, but one which appeared in the Toronto Globe and Mail does not follow any recognized form and undoubtedly wins the prize for originality. Here it is: Chester—Finally, on Saturday morning, March 8th, 1941, St. Michael's Hospital, to Mr. and Mrs. Merton Chesher (nee Gloria Barr) a son, Noel Merton—seven pounds, five ounces. Mother and son fine. Father slowly recovering.

TOWN COUNCIL

Wage increases and hiring of a town foreman featured a special meeting of the town council held Tuesday night. A vacancy was caused when council accepted the resignation of Harry Coulson.
Three applications were read by Clerk Jas. W. Blain from Fred Paupst, Harry Coulson and George Deforest, who were being considered for the position of town foreman. The application of Harry Coulson was accepted, duties to begin on May 1st.

Ezzard was awarded the contract with a rider asking him to leave \$50 on account with the town for rent. The clean-up will begin on Wednesday, May 7th.
Council agreed to permit the Greek War Relief Fund to conduct a tag day in Milton on April 25th.

When Reeve Heslop reported that Constable Hadfield requested an increase of salary it brought forth a discussion regarding increasing the pay of all town employees. It was suggested that Milton has been working on the cheap for long enough. "I am in favor of this increase during these times," Reeve Heslop said.
Constable Hadfield will receive \$75. His patrol will be from 7 p.m. until 4 a.m.

A. D. Sproat, treasurer, will receive \$73.32 instead of \$69.06.

Sam Brush is retained at the same salary, \$40, to do special police duty, police Main street at the post office during the non-hour run of school pupils and other duties commissioned by the council.

Those present were: Mayor Armstrong, Reeve Heslop, Councilors Ptolemy, Riddell, Gowland and Fay.

MILTON CANADIAN CLUB

Dr. Mark Eastman was guest speaker at the Canadian Club dinner held at the Milton Inn last Friday night. The speaker told of his experiences while travelling through France and Spain, entitled "My Escape From Geneva to Lisbon." A member of the I.L.O. in the League of Nations, he briefly told of its last days. "After having sent my wife and family back to Canada I secured it was time for me to evacuate," he said. Throughout his address he humorously told of incidents with people and his car. After having difficulty in procuring his visa, he left Switzerland crossing into France. He took a southerly route toward Spain. Travelling over mule trails, highways with an abbey, they came to the Spanish border. On one occasion he sandwiched his car between army lorries in order to cross a bridge without being stopped. The guards at Spanish border talked loud and long so their captain could hear they continuing their duties. A bottle of perfume he hid to discontinue a personal search. Safely across he told of the Spanish people continuing their life with hatred to the present regime. He showed a Spanish newspaper with the news was crammed into four small pages, indicating a shortage of paper. After his arrival in Lisbon he spent several weeks before obtaining passage to New York.

E. Marcellus introduced the speaker. Canon Nafel and George Dawson expressed a vote of thanks. Joanna Toeves, Milton, was winner of the quilt drawn. Mrs. John Milton, Kilbride, donated the quilt for which \$55.00 was raised, to be sent to the British War Victims' Fund.

Canadian Legion

The members of Branch 136, Canadian Legion, are hereby notified that a general meeting will be held on Monday next, April 28th, at 8 p.m. Special business will be under discussion, including delegates to be nominated for zone meeting. All are requested to make a special effort to attend.

Letters of appreciation were received by our branch from the following, now serving overseas: L. Corpl. Charlton, Corpl. Brash, Pte. Jones, Pte. Ezzard, Pte. Turner, L. Cpl. Bousfield, Pte. L. G. Smith, Pte. Melrose. These were read at our meeting on Monday last. The cheerfulness and fine spirit expressed by our town boys, who are facing all the hardships of war, is a real lesson to all of us back home, where we are safe and sound.

As far as Branch 136 is concerned, we will back these boys to the limit, and for one good reason, we fully understand what it is all about. Others may have to learn, and by the hardest way.

New Police Cruisers Make Their Debut
The new Ontario Provincial Police patrol, has been inaugurated in this area, and new black and white cruiser cars are in operation in this district by the Highway Police Officers. The innovation is replacing the time-honored motorcycles which have been the trade mark of traffic policemen since the advent of the automobile.

The new cars are equipped with short wave radio, siren, mobile spot light, first aid kit, and something which every motorist hopes never to see, a red flickering "Stop Police" light which is mounted on the right front fender and points toward the right hand side of the road, right where any erring motorist can see it.
