

**On to Victory Parade!**

Since the campaign for funds to carry on to victory started the county campaign committee have been organizing parades in each town. To-night is Milton's big night, when bays and brass bands, floats from Acton, Georgetown, Burlington and Oakville, along with Milton's floats and organizations parade. There will be a hot time in the old town to-night. The parade leaves the high school grounds at 8 o'clock sharp and marches to Victoria Park where appropriate addresses will be given.

Some will say, why a parade, why all the fuss? Against a conqueror of the task in hand. It is a big task, but not too big for the citizens throughout this great dominion. A little fun will help carry us on to a successful conclusion. So let's all join the parade.

Well done, the citizens of Milton and district! So far the response to your canvassers has been magnificent, and has been in excess of the expectations of your committee. We are well over the fifty per cent. of our objective, and with your co-operation we are going to reach our objective and then some.

If there is any one in doubt as to the safety of investing their money in this loan to the Government for the sole purpose of providing tools to our boys to fight for victory, remember this, that you are investing in saving your country, your home, your freedom and everything you hold dear, which is being menaced by one who would make us slaves the victor.

Over in Britain there is turmoil, the shock, the soul-searing agony of the worst war in world history. For a long time, every wave that reaches our shores has brought pleas for help from our race and our kin across the sea. These people have said to us: "We cannot share your safety and comfort, will you help us to endure and conquer?"

Canada will lend our money gladly, realizing that no effort we can make can equal that of those who are bearing the brunt of the war. We shall accept the call for funds and do our part in saving lives, in hastening victory. So the slogan must be BUY VICTORY BONDS.

GOD SAVE THE KING.

**LORNE SCOTS GET SEND-OFF.**

Members of the Lorne Scots from Milton, who were home on their last leave, were given a send-off by the Milton Branch of the Canadian Legion last Sunday evening. Mayor Armstrong gave the farewell address to those assembled.

Those leaving were: Ptes. Charles Pearson, Duncan Patterson, Arthur Cooper, Wm. Noble, Sgt. Major Frank Shannon, Merwin Timbers, Andrew Graham, John Graham, Elmer Zimmerman, Eddie Jones, Gordon Downs, Lorne Black, Harvey Brush, Hugh Evans, Chas. Gervais, John Arnold, Morley Harbottle, Victor Homewood, Wm. Cox, Leslie Kelman, Wilfred Wilson, Jack Stevenson, Earl Woodcock and Maxie Black.

The local Legion presented the soldiers each with a parcel, after which they were transported to their barracks in Hamilton.

**Will Celebrate His 89th Birthday**

With the honor and respect due to a pioneer of this district who played his part in developing this community, one of our grand old men, Mr. John Bousfield, will celebrate his 89th birthday on Monday, June 10. Mr. Bousfield was born in 1852, just 15 years after Queen Victoria ascended the throne. He was about 12 years of age at the start of the Civil War in the U.S.A. and 15 at the time of Confederation. He has witnessed all of Canada's political battles and has been a staunch Liberal throughout his life. He was born on a farm near Carlisle, Ont., and was the eldest of a family of thirteen. This farm, still in the Bousfield name, was also the site of his father's saw mill, the centre of most of the community lumbering. To this farm came many seeking the fortune of the famous Captain Kidd, American slave master, who was once sought by the British. The story was that he had buried his gold in a field which has been named "California Field." Mr. Bousfield has two sisters and one brother still living, Mrs. Elizabeth Toyer, of Dixbury, Alta., will celebrate her birthday on June 18 and will be 87. The two youngest of the family are Mrs. Wm. Garbutt, of Milton and Mr. Mathias Bounfield, of Campbellville. Since the passing of his sister Mrs. William Main with whom he had lived for years, he has made his home with her daughter Mrs. R. J. Burgess, of Milton. In late February Mr. Bousfield suffered a stroke from which he seems to have fully recovered and to be in his usual good health. On June 16, Mr. Bousfield crosses the threshold of his nineties and carries with him the philosophy he always carried, that "The finest time of life is always the time you are at."

**BASEBALL**

Following is the schedule of the Hamilton and District Junior Baseball League for the next two weeks: June 12—Ham. Monarchs at MILTON. " 14—Milton at Oakville. " 18—Ham. Bevoages at MILTON. " 21—Milton at Dundas. " 25—Dundas at MILTON.

Hamilton Taxes pushed Milton deeper into the cellar in a Hamilton and District Junior League game when they spotted Milton a four-run lead but came back to hand them a lucky 9 to 8 defeat. The contest was played at the park here last Saturday. Miller, who replaced Parish on the hill-top, pitched and batted his team to victory. He steamed along behind clever fielding by his mates, for in the sixth and seventh frames Milton threatened, but his support never faltered.

Doug Gwland, the losing pitcher, was hit harder than usual, although several of the hits generated by the Hamilton squad were of the soft variety, infelicitous hits that should have been turned into put-outs. There is something wrong with the Milton infielders. They lack the smarts and the work-for-the-night-is-coming attitude of last season. If their defensive play had been half as classy as the winners, the locals would have had a big edge in the run column.

Miller led the hitters with four, while Hill and Dewar had two apiece. Kennedy, Gwland and Seizick each had two for the losers. O'Neil played a starry game for the Taxes. The highlight of the contest was the work of Jim Kennedy in centre. He gave a spectacular display of outfielding that was a treat to watch, covering "inlets" of Paris and pulled off several sensational catches.

Hamilton ..... 023 021 1-9 14  
Milton ..... 401 080 0-8 11 4  
Batteries: Paris, Miller and Prentice; Gwland and McDuffe.  
Umpire—Cliff Houston.

**HORNBY**

About fifty members of Hornby Lodge, L.O.L., and visiting brothers attended divine service in Hornby United Church last Sunday afternoon. The service was conducted by Rev. J. O. Tolson, and the choir rendered two anthems.

Mrs. Stanley Learmont entertained the Hornby Women's Institute for their regular monthly meeting Wednesday afternoon. There was a good attendance and an interesting program.

Some Hornby residents are preparing for winter already by having their homes insulated.

Some boys have been seen at work between Hornby and Mrs. E. looking over a site for a flying field for the R.C.A.F. It would cover about one thousand acres of choice level land in one of the best parts of Trafalgar township.

**ZIMMERMAN**

The W. A. will hold their monthly meeting this Wednesday, June 11, at the home of Mrs. J. Galbraith.

Mrs. A. Buck, of Toronto, and daughter, Janet, of Los Angeles, California, visited with relatives in the community last week.

The Sunday School picnic of the United Church will be held on Saturday on the flats of Glen Campbell.

Miss Eva Young, of Hamilton, was a visitor in the community last Sunday.

**LOWVILLE**

The W.M.S. of the United Church met on Thursday afternoon at the home of Mrs. A. M. Coulter. Mrs. B. Gunby and Mrs. L. W. Coulson were in charge of the meeting. Mrs. B. Gunby gave the topic which was Surgeon of Sheena, and Mrs. John Taylor, of Galt, who had worked as a missionary in this field gave an interesting talk on her work there. Others taking part in the programme were: Mrs. Rachel Harbottle, Mrs. E. Riddolls, Mrs. L. C. Spence, Mrs. V. McArthur, Mrs. B. Butts. The president, Mrs. S. T. Coulson, conducted the business.

On Thursday evening last a large number of friends and neighbors met in Kilbride Hall and presented Dr. and Mrs. Grant Heslop with a desk. Rev. and Mrs. G. H. Purchase, of Elmville, visited Mrs. G. H. Harbottle on Saturday.

Mr. Lloyd Colling, of Sarnia, and Mr. Melvin Colling, of Hamilton, spent the weekend at their home here.

Miss Ruby Coulson, nurse-in-training at the Hamilton General Hospital, spent Sunday at her home.

**BORN**

**DIED**

**TOWN COUNCIL**

Councillor Edmund Syer took his seat in council at its last meeting. He was placed on all committees filling the vacancies which were caused by the resignation of Harry Coulson. George Young and Mrs. McArthur were present appealing to council for consideration in connection with their properties.

A communication was read from the Canadian National Exhibition requesting the council to choose a boy and girl 14 years and under, typical of Milton, to a dinner being held on Children's day at the "Ex."

On a request from the Legion, Mayor Armstrong asked for use of the town truck as a float to be used at the Victory Loan parades throughout the county. The request was granted.

Councillor Riddell reported a complaint with regard to drains on Mill Street. He said that a lateral drain was connected from a septic tank to the drain which came out on Mill St. Council agreed it was up to the Board to rectify this. However, they decided the drainage at this point and several others was putrid, but how could they clean up this mess without sewerage?

The lighting system on Main Street bore a brunt of criticism. The mayor reported low voltage was the cause. Other members pointed out there were too many lights around Milton in the trees. The Hydro was given authority to place two additional light standards on Main St. at Martin St. intersection.

A discussion arose when Councillor Syer asked where council wanted the safety zone steps to be placed at the post office. Council wondered why the school board refused to sanction the council's request to dress the public school out fifteen minutes earlier, at 11:45.

Council decided an agreement was to be made with Mr. Smith, who is prepared to buy certain land for \$350 providing he would erect two or three new houses.

Mayor Armstrong was in the chair and Reeve Heslop, Councillors Syer, Ptolomy, Riddell, Gwland and Dawson were present.

**Victory Loan Most Encouraging**

Ottawa, June 11.—Emphasizing the appeal which the Victory Loan is making to the small investor, is the fact that up to Wednesday 356,259 individuals subscribed more than the combined total of the two previous War Loans, had invested \$340,397 40. Most encouraging to headquarters were the returns from Rural districts, many of which exceeded their objective and are striving to further increase their cash subscriptions as well as their numerical total.

Will you urge your workers to redouble their efforts and ship everything you possibly can. The need grows more urgent hourly and we must do our utmost to encourage the people of Britain by our gifts. Lady Reading, head of England's Voluntary Services for Civil Defence, has sent the following message to the Canadian Red Cross: "I would like to express my very great appreciation for the wonderful help given by the Canadian Red Cross. We are indeed proud to be acting as your agent for the distributing of clothing and comforts to those suffering from bombing in every part of the country. St. Paul's Church Evening Auxiliary  
The Evening Auxiliary of St. Paul's United Church held its closing meeting of the season on Tuesday evening, 3rd June, when Mrs. T. A. Hutchinson was hostess to nearly 60 members and guests. Miss Edna Anderson, president, conducted the meeting and Mrs. Geo. Brownridge was in charge of the devotional period. Mr. and Mrs. Bell, of Hamilton, accompanied by Mrs. Maddock, also of Hamilton, sang several duets and solos, which were greatly enjoyed.  
Mrs. Hughes Cleaver, of Burlington, was the speaker and gave a very informative talk. She first paid tribute to our Mother country, and then to the empires of the great Commonwealth of Nations. She spoke briefly about China and Japan and of Canada, stressing the importance of our friendliness to other races of people within our borders and finally giving a challenge to go forward, keeping our faith in God and doing what we can for our church as well as for our king and country.  
Beautiful bouquets of flowers were presented to the guests by Bruce and Edwin Devlin. The meeting closed and delicious refreshments were enjoyed.
