WEDDING ROWDYISM

(Simcoe Reformer)

We take the following from the “Oshawa Times”:

“There had not been time to close the doors of Simcoe Street United Church, following the impressive funeral held there Saturday afternoon, before a shrieking bedlam of horns tooting swept by to mark, God help us, what some think about the solemnity and beauty of the wedding sacrament.

That expression of the “charivari” complex outraged civilized decorum. It is time that all those who make a public spectacle of a newly married couple were charged with disturbing the peace.”

We agree. Anything that will add to the sweetness, dignity and happiness of a wedding is to be welcomed; but the row and noise and the bedlam of shrieking horns that are often set up at the departure of the bride and groom are degrading and degrading. They are probably only indulged in because it is thought to be the right thing to do. The remedy is to create a public sentiment against them.

NEWSPAPER READER'S ADVANTAGE

People's success in the world and social life depends largely on their ability to talk well and intelligently. The charge against her was that she was a lunatic. W. I. Dick, K.C., was adjourned to die. When she appeared in court at Milton last Wednesday, at the suggestion of her counsel, W. N. SOFTBALL

Toronto Maple Leafs To Play Milton Owls

One of the largest crowds ever to witness a softball game in this area is expected to be on hand to see the Milton Owls take on “Happy” Day's Maple Leafs in an exhibition game to be played in an agricultural grounds here on Wednesday, Aug. 13th, at 7 p.m. In case it rains the game will be played in the Arena. The entire proceeds of the game will be contributed to The Evening Telegram British War Victims' Fund.

The Owls, with Cliff Houston and “Bus” Knight at the helm, were runners-up in the O.A.S.A. play-downs last year. They have lost only two in 14 starts so far this season. The Day nine have also been displaying some excellent ball of late and with Gordie Drillon on the mound are sure to force the Milton Owls out.

The local team has been rather handicapped this season by being unable to enter regular league competition but, by means of a number of exhibition games, the players are shaping for an entry in this year's provincial play-offs. The members of the team have issued a wide-open challenge to all-comers for games and to date have more than held their own even in reputed faster company.

Tickets are now being sold by all the members of the team and officials request the advance sale to be above expectations. Admission: Adults 25c.; children 10c. 3 valuable gate prizes.

The following players will probably form the line-up:

Maple Leafs—Hamilton, Apps, Day, Drillon, Herop, Taylor, Goldup, Edgola, Brods, Summerville, O'Leary.

Owls—Knight, Toletzka, Peddie, Hearn, Wilson, Mountain, Blinco, Gilbert, Cannon, Anderson, McNiven, Coulson, Naylor, Houston.

BASEBALL

MILTON 7—STREETSVILLE 5

A home-run by Hearn in the last half of the ninth decided a fast exhibition game in favor of the Milton Owls by 7 to 5 when they played Streetsville here on Tuesday evening last. The locals were down two runs when they came to bat in their half of the ninth. Hearn was the hero of the visitors, having four singles; Peddie for Milton had three. While the visitors played errorless ball the locals had five errors. The summary:

R H E
Streetsville 011 000 300—5 12 0
Milton 001 010 147 12 5

Batteries—Streetsville, H. Andrew, Kelly and Hope; Milton Owls, Toletzka and Houston; umpires—Umpire—Evans, Milton, and Lindsay, Streetsville.
