National War Finance Committee

CHAMPION PLOWMEN TAKE TRIP BY PLANE

The Salada Tea Company's Championship class at the International Plowing Match held near Peterborough last Fall brought together top rank horse plowmen from all parts of the Province. Eimer Armstrong of St. Pauls (right), Gold Medallist, and Marshall Deans, Paris (left), Silver Medallist, accompanied by W. C. Barrie of Galt, are seen ready to board a plane commencing the valuable trip that was offered as first and second prizes. Time being an important factor to agriculturalists, they elected to travel by air and within nine days they visited such points as Winnipeg, Portage La Prairie, Regina, Vancouver and Lethbridge. One of the highlights of their journey was the stop off at Portage La Prairie where they participated in the Manitoba Provincial Plowing Match, June 24th.

At experimental stations they visited and at meetings they attended, they were afforded the opportunity of exchanging and studying new ideas, particularly labour-saving devices and other aids to greater efficiency on the farm. The trip was arranged by Mr. J. A. Carroll, Manager of the Ontario Plowmen's Association. Plowing Matches which are conducted by local branches throughout the country, play an important part in the production of food for war, for they encourage the better plowing and cultivation of the land so essential for maximum production.
