

The Canadian Champion

MILTON, FEB. 4, 1943.

Halton County Council Met in Milton

Halton county council was in session at Milton on Tuesday, with the Warden in the chair, and all members present.

Major Frank Pullen, of Oakville, and J. R. Davidson, made a stirring appeal to the council to support the Navy League of Canada. Major Pullen, speaking from personal experience referred to the intense suffering of the men of the merchant marine while carrying on their work in bitter freezing weather. Mr. Davidson said that the personnel of the Canadian navy was 30 times as great as in pre-war days, and there is nothing more vital to us than to maintain the morale of these men. The council made a grant of \$500 to the Navy League.

King county asked endorsement of the following resolution: "That the county council petition the Wartime Prices and Trade Board to so raise the price of beef cattle that producers may be assured of a price equal to the net price obtainable in the U. S. markets, or 10 per cent above the price of beef cattle to U. S. markets." A similar resolution was received from Wellington county and both were endorsed by Halton county.

The following resolution from Carleton county council was also endorsed: "Be it resolved that men of military age, working on farms, be given preferred exemption from military service, as long as they work on a farm, and the decision as to whether they are required on a farm be decided by a local board, who would have the power to allocate men to the employment in which they will be most useful in the county."

Nassagaweya council appealed to the county council to have county roads more adequately protected from weather by salting, and also better railway protection. That wig-wag signals be installed at Campbellville crossing and at crossing west of Campbellville where recent fatalities occurred. The resolution was endorsed.

The recommendation of the following grants was adopted: Ontario Conservation and Reforestation Act, \$25; Salvation Army, \$100; Canadian National Institute for the Blind, \$100; Canadian Aid to Russia Fund \$500. The fee of \$15 to the Ontario Good Roads Association, Rural Municipalities Association of Ontario and the Ontario Association of Rural Municipalities of \$10, was paid.

The tender submitted by Georgetown Herald for printing county work was accepted at the following rates: Auditors' report at \$1.25 per page and minutes and by-laws at \$1.55 per page.

Payment of accounts to the various High School Boards totalled \$36,000.92; payment of hospital accounts \$474.11, and county building accounts \$408.37.

The following resolutions were also passed: Moved by Heslop and May—That Victor Hall be appointed as caretaker of the Registry office building, at a salary of \$150 per annum in addition to that which he already receives as caretaker of the Court House, this appointment to be retroactive to January 1, 1943.

Moved by Robertson and Smith that the Bell Telephone Co. by-law be laid over until the next regular meeting of the Council.

Moved by May and Heslop, that the Reforesting committee order 15,000 trees from the Ontario Forestry Branch.

Moved by Gilbert and May, that W. J. Robertson be appointed to fill the unexpired term of Leslie Kerns for the year 1943 on the County Roads committee.

Moved by Brown and Heslop, that Dr. F. R. Watson be appointed to Georgetown High School for 1943-45.

Moved by Smith and Brown, that the Road committee and the engineer be delegates to the Ontario Good Roads Convention and that their expenses be paid.

Moved by Gilbert and Robertson, that the Minister of Highways be advised that during the year 1942 Highway was expended on the County Highway system the sum of \$68,237.30 and request the statutory grant on that amount.

LOWVILLE

Mr. and Mrs. F. W. Harbottle entertained about 20 guests on Thursday evening in honor of their niece, Miss Mary MacDonald, of Oakville, whose marriage to John Basemont, of Lashburn, Sask., takes place this Saturday. The bride and groom-to-be were presented with many useful and lovely gifts. Friends were present from Oakville, Port Dalhousie, Georgetown, Norval, Toronto, Milton, Waterdown, Carlisle, Burlington and Nelson.

Mr. and Mrs. Milroy, of Galt, visited on Sunday with Mr. and Mrs. Geo. Coulson.

The W. M. S. of the United Church met in the school room on Tuesday afternoon.

At the annual vestry meeting of St. George's Anglican church the following officials were chosen for the ensuing year: Rector's warden, Erland Jay; people's warden, Roy Ellenton; vestry clerk, Edward Baldwin; envelope secretary, Charles Harris; auditors, Mrs. William Dales and Mrs. F. Bill. Lay delegates, Harold Richardson, Edward Baldwin. All officials reported a successful year. Rev. W. B. Irwin presided and thanked the members for their co-operation.

CAMPBELLVILLE

The annual meeting of the W. M. S. of St. David's Church met at the home of Mrs. Alex. McPhedran, with president in the chair, who opened the meeting by reading a little poem, entitled "The New Year," and thanked all members for their faithfulness of their stewardship during the past. Mrs. John Elliott read the annual report, showing that we had gone over our allocation for 1942. Rev. J. MacNair then proceeded with the installation of officers for 1943, and gave the society an encouraging message for present year. A junior membership certificate was given to the little daughter of Mrs. George Inglis in memory of Mrs. Bell, and on behalf of the W. M. S. and the Ladies' Aid Society Mrs. Thos. McPhail made the presentation. Mrs. Inglis thanked the society very graciously on behalf of her little daughter. Mrs. G. McPhail gave a report of the presbytery meeting held in Knox Church, Guelph. Mrs. E. D. Mahon had charge of the devotional. Miss Carrie McPhail read scripture lesson, and Miss Catherine McPhedran read the prayer from the "Tidings." The roll call was answered by each member paying their fees. The meeting closed with a benediction. The meeting closed by singing the National Anthem and doxology, and all remained for a cup of tea.

ZIMMERMAN

Misses Doris Harrison and Jean Bird, of Hamilton, spent Sunday at their home here.

Pte. Willard Bridgman, of Brantford, Miss Norma Bridgman, of Oakville, spent the week-end with their parents, Mr. and Mrs. C. W. Bridgman.

Miss Joy Bennett spent the week-end with her sister, Miss Patty Bennett in Toronto.

The postponed meeting of the congregation of the United Church will be held on Wednesday evening.

Mr. and Mrs. N. Sinclair, of Burlington, were Sunday visitors of Mr. and Mrs. G. Sinclair.

Mr. and Mrs. S. Gowland, Mr. and Mrs. J. Galbraith visited Sunday with Mr. and Mrs. E. Gowland.

OBITUARY

HERBERT GEORGE AYERS.
 All only two weeks, Herbert George Ayers, succumbed to a heart attack last Wednesday (Jan. 20th).
 Born in Kent, England, Herbert G. Ayers was the son of the late George and Phoebe Ayers, Newmarket. Mr. Ayers never married.
 Mr. Ayers was a druggist. For some time he was manager of the Owl Drug Store, Toronto, later becoming Maritime representative of Upjohn Pharmaceutical Co. and also operated a business of his own at Milton, Ont., and for the past two years was employed at Patterson's drug store in Newmarket. He took his apprenticeship with Patterson's and was associated with the Newmarket store at various times.
 Mr. Ayers was a member of Trinity United Church. He was also a member of Tuscan Masonic Lodge. Numerous floral tributes testified to the esteem in which he was held.
 He was given a Masonic funeral. He is survived by one brother, Wm. Ayers, Newmarket.—Newmarket Era and Express.

MRS. HENRY WILSON
 Mrs. Henry Wilson died suddenly from a heart ailment at her home, Ashgrove, Esqueping township, on Saturday, in her 70th year. She was born at Carlisle and moved to her late residence when she married 52 years ago. She was an active member of Ashgrove United Church and connected with the United Farm Women's Association for many years. Surviving, besides her husband, is one son, J. Guy Wilson, at Ashgrove, and one daughter, Mrs. S. S. Brockton, at Norwood. The funeral service was held from her late residence Tuesday afternoon with interment in Hillcrest Cemetery Norval.

MRS. DUNCAN ROBERTSON.
 One of the original members of St. Andrew's Presbyterian Church, Hamilton, and an esteemed resident there until fourteen years ago, when she moved to Mount Vernon, N.Y. Mrs. Duncan Robertson, the former June Reid, died on Tuesday in Mount Vernon, aged 80 years. Her husband predeceased her. Mrs. Robertson's was born in Milton.

Cleaver May Head Expenditures Body.

Ottawa, Ont., Jan. 30.—Hug H. Cleaver, Liberal member for Halton, has been appointed to the House War Expenditures Committee since its formation and is considered a probable new chairman if Works Minister Fournier resigns that post.

This isn't to be taken as a prediction, but that post seems to be a lucky one. Hon. T. H. Thompson, former Liberal member for Selkirk, was its first chairman and he became its services minister before his appointment to the presidency of the exchequer court. Mr. Fournier, now works minister, got his cabinet post after he succeeded Mr. Thompson in the committee chairmanship.

NEW POLICE SQUAD

Immediate organization of a special liquor squad of the Provincial Police "with a view to adequate enforcement of the Liquor Control Act and regulations," was announced last week by Premier Conant. The "Liquor Squad," Ontario Provincial Police," will be under the command of Inspector Philip Walter, inspector of the Windsor district and now raised to the rank of Staff Inspector, with headquarters at Toronto, with authority to enforce the act and regulations in municipalities which have not passed by-laws to undertake the enforcement, and to supplement the work of municipal police in all other municipalities.

The necessity for some such steps towards more general enforcement of the Liquor Control Act has been made plain by recent exposures in the press of the disgusting and amazing conditions that prevail in at least some of the hotels. What the outcome will be time will tell.

FARMERS APPLYING IN TWO CATEGORIES

Farmers in making application for permits to slaughter livestock should specify whether or not they intend to do custom slaughtering.

Two types of applications for slaughtering are being issued to farmers at the Regional offices of the Wartime Prices and Trade Board. Persons doing custom slaughtering fill out one application and those slaughtering livestock, or operating an abattoir or slaughterhouse, are requested to denote this fact on another application.

Since January first, farmers slaughtering cattle for the sale of meat have been required to obtain a permit. This is unnecessary when a farmer slaughters for his household consumption.

HOCKEY

MILTON 14 BOLTON 3

By knocking off Bolton 14-3 the locals won their sixth straight in the run for Junior B group honors at the local ice palace last Monday night.

A goody crowd was out to see a high scoring, but slow game. It lacked the zip previous contests displayed. The boys fought hard, but the score as indicated didn't seem to have the sting other free scoring battles had.

The first period was like a 2.30 pace. The boys ran wild in pushing the rubber past Shbel. He worked hard but just couldn't stand the pressure. Scizzi took a neat pass from Stewart two minutes after the game started to put the locals in the driving seat. Three minutes later Doug Gowland snatched a bouncer from Sanderson and from then on it kept the scorers busy. Penalties were almost as scarce as hen's teeth, Bassett and Berney serving time for trips. Milton 8, Bolton still under the eight ball.

The second session seemed to slow up with checking playing the biggest part in the battle. Only four counters registered. Smytha broke through the secondary defence, dropped a beauty to Evans (not Dooney), who beat Emerson handily at the half way mark. Twenty-three minutes later the same pair combined, with Smytha getting credit. From then on Bassett got mad and dropped a base of counters to even the scoring in that period. Incidentally Stewart tangled with Evans and was sent off for a five minute rest, three minutes later play started. 32 seconds later Scizzi handed out a trip, so took a rest. He was handed his second penalty for a similar offence at the half way mark. Gowland got the fourth for boarding. There was no scoring while the team were short handed, Milton 10, Bolton 2.

When the locals start passing plays something usually happens as did the first counter in the third. The disc went from Bassett to Stewart to Scizzi, who gave it to Gillespie, who beat the goalie three minutes after the face-off. It was the prettiest play of the night. A minute later Stewart got his lone tally and Bassett netted two more. Rodrick went through to bang home the visitors' final counter at 22:15 mark. Big Joe Scizzi spent time twice in this session for using his body too heavily near boards. Boarding was the offence. When the gong rang it meant—Milton 14, Bolton 3.

The locals have only two more contests in the group's schedule. Royce A. C. will be here on Friday (tomorrow) and finally a trip to Markham Monday concludes the schedule. Then the play-offs.

Milton—Goal, Shbel; defence, Berney and Cromar; centre, Evans; wings Smytha and Howes; alternates, Nelson, Rodrick, Simmons, Dodson, and Shodes.

Bolton—Goal, Emerson; defence, Schertz and Stewart; centre, Scizzi; wings, Bassett and Gillespie; alternates, Raine, Sanderson, Chawin Gowland and O. Scizzi.

Referee—D. A. Houston, Toronto.

Municipal Health Committee

Mayor George H. Dawson was elected head of the Public Health Nurse Committee at a meeting held here last Friday. Representatives from Milton, Georgetown and Acton met for the purpose of organization of a Public Nursing committee in the interests of the health of children of school and pre-school ages. Dr. C. V. Williams, Georgetown, was elected secretary and Dr. Cullen, Acton, as treasurer. The committee will also consist of one representative chosen by each organization in their respective municipalities, the Board of Health, the Council, the Public and High School Boards.

YOUR HYDRO ANSWERS THE CHALLENGE!

WARTIME POWER DEVELOPMENTS IN ONTARIO

To meet the power needs of Ontario's war industries your Hydro has increased the supply of electricity in the last four years by over 760,000 h.p. This has made a tremendous contribution to the war effort, providing our highly electrified factories in Ontario with the necessary power to produce great quantities of weapons for our fighting forces.

The development of new power sources is continuing in the wilds of Northern Ontario a huge diversion program, that will reverse the natural flow of water, is nearing completion. In other parts of the Province additional power projects are nearing the final stages of construction.

The splendid co-operation of the citizens of Ontario in conserving electricity during the recent months has contributed greatly to our war effort and is thankfully acknowledged. The shortage of power, however, is still critical and the need for conservation continues.

Still more power is needed to produce still greater supplies of war weapons and materials. When the victory is won, that same power will be available to contribute to peacetime progress in our industrial, commercial and home life.

INCREASE IN POWER FROM MOST RECENT DEVELOPMENTS

1. Plant nearing completion to provide 65,000 h.p.
2. Mid-Ontario plant supplying 10,000 h.p.
3. Hundreds of miles of new transmission line.
4. Rapid progress on new diversion program.
5. 54,000 h.p. plant into production last summer.
6. 230,000-volt Transformer Station to distribute power.

NAME CHANGE IS URGED FOR SCHOOL

A suggestion that the name of Middle Road School be changed to "Queen Elizabeth," or some other suitable name, was offered by Mrs. Bruce H. Newell, president of the Home and School Association, at the annual meeting of the school board and ratepayers of S.S. 23, near Port Credit.

Speaking on behalf of the Home and School Association, Mrs. Newell pointed out that with the Middle Road having been renamed the Queen Elizabeth Way, it had become increasingly difficult for speakers and visitors from Toronto to locate the school under the old name. After discussion, it was decided to hold a meeting of school trustees and Home and School executive to discuss the subject at greater length and decide upon a suitable name.

Accept Older Men For Naval Service

Skilled tradesmen over forty-five years of age are being accepted for service in the Royal Canadian Naval Reserve. Men who could not be enlisted in RCNVR in special trades formerly because they were over the age limit of forty-five years may now be accepted for service in special categories. Men with necessary qualifications to serve as welders, engine room artificers, copper-smiths, riggers, boiler makers, fitters, turners and machinists are being sought. Successful candidates will be required to do duty ashore. Interested candidates are requested to apply by telephone collect to Lt. J. W. Dresser, AMLC Star, Hamilton, phone 738-96, and appointment will be made for interview.

THIS YEAR Start your chicks EARLIER!

THIS YEAR, it's good practical profitable patriotism to start your chicks earlier than ever... get them going on the job of producing urgently needed eggs and meat that much sooner. Then, too, an earlier start gives them a better start. Once the spring work opens up, you won't have much time to spare! Again the top prices of the year are realized in the fall. September to December. Early started, winter-started chicks have time to reach full size and development, and full size, by the time prices are climbing, even though high-protein feeds, for starting and growing, are going to be scarce. You can raise your chicks on less of these high-protein if you start them earlier and give yourself more time to grow them more slowly.

Don't overcrowd your chicks. Order just the number you have room for. If you jam them in too tight, nature very often steps in and cuts the number to about what you should have in the first place. Second, plan to hold down your growing costs with green pasture, and if at all possible, with some milk-by-product. This calls for planning ahead, but it is time well spent.

'ASSAULT MERDEROUS' YEAR ADDED TO TERM

"The assault was merderous. A one-year sentence is inadequate," said W. B. Common, to the Ontario court of appeal at Osgoode Hall on Monday. He appealed on behalf of the attorney-general against a sentence imposed by Judge Munro at Milton on William Dekon, on the charge of assault occasioning bodily harm. "The victim's life was despaired of at one time," said Mr. Common. A. accused, he said, was between 50 and 60 years of age. The court increased the sentence to two years in the penitentiary.

ASSAULT MERDEROUS YEAR ADDED TO TERM

"The assault was merderous. A one-year sentence is inadequate," said W. B. Common, to the Ontario court of appeal at Osgoode Hall on Monday. He appealed on behalf of the attorney-general against a sentence imposed by Judge Munro at Milton on William Dekon, on the charge of assault occasioning bodily harm. "The victim's life was despaired of at one time," said Mr. Common. A. accused, he said, was between 50 and 60 years of age. The court increased the sentence to two years in the penitentiary.

PRACTICAL WIVES

A newspaper paragrapher remarks that modern girls do not usually like to wash the dishes, but this does not keep the men from marrying them.

The old timers used to consider a girl's knowledge of housewifely arts before they asked her in marriage. The modern youth is probably more impressed by the young lady's good looks, pretty clothes, captivating manners, ability in dancing or sports. He becomes so fascinated by these arts that he does not so often ask what kind of a housewife she will be. He might at least find out if she is interested in housekeeping. If she says she hates housework and is not interested in cooking, he might let the affair run on a little longer until he knows where he is at.
