#### RE CREAM TRUCK ZONING

To the Editor of the Champion:

Dear Sir :-

May I take this opportunity to disclaim any credit for Cream Truck Zoning On the contrary, I have opposed the plan submitted and will continue to de so. I am definitely opposed to any form of regimentation that will force cream patrons to sell their cream to a creamery not of their own choice. I attended a meeting in Toronto on Monday afternoon Creamery owners to protest against the order and understand that a postponement has been granted. As a member of the local Ration Board, may I say that Cream Truck Zoning has never at any time teen under discussion.
