The paratrooper takes his life in his hands when he descends through alien skies. But first he is a handpicked man, goes through gruelling training and receives the finest equipment yet devised-for his and your security.

As his attack is our defence against Axis domination so Brantford Roofing defends many a home against the beating of the weather. But just now, because it's built of strategic materials, the supply of Brantford Roofing is limited. Supplies available for civilian use are rationed to dealers, to ensure an equitable share in each

community. To stretch raw materials as far as

possible, all Brantford Roofing lines have been

standardized on a minimum range of styles and colours. If you are faced with roofing problems, ask your Brantford Roofing dealer to assist you. He will help you make your present roof last longer and effect urgent repairs with a minimum of new material. He will also help you plan now for a completely renovated roof after victory.
